"He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him."

— Psalm 126:6 (KJV)

Hello Praying Friends,

We started off the month with a **Kids Safety Zone Conference** as we reached out with the gospel in Clark, NJ — a distant suburb of Newark. Working alongside the team of leaders at Union County Baptist Church, we ministered the gospel in a powerful way to the many children who came out to the conference each day. We are so thankful for this church's passion for souls to come and learn about Christ and His salvation.

Becky came alongside me to help with the program. She led the songs and special scripture presentation each night. It is always a joy to be able to minister the gospel alongside my wife. Please keep her in prayer as she continues to strengthen her body against the autoimmune disease she struggles with.

It is unbelievable, but Tony has finished his 32nd book! This one is "The Good Shepherd" — a great story on the parable of the Good Shepherd from the gospels. You can order a copy on Amazon or through our website bookstore. Whenever you order from our bookstore, please email us and we will send you the link to order the book on our Youth Action Support page.

We are so thrilled to be able to get the gospel out to the many we meet, and to the children we minister to.

We are preparing for a very busy Fall. **We have scheduled two "Saved to Share Evangelism Training Conferences". Please remember us in prayer as we prepare for these meetings. We also have two Safety Zones of America Campaigns** coming up in the near future, and we hope for a great opportunity to give the gospel to many children and their families. One of the tools we use in ministering to children and families is our book ministry — the stories we use for our gospel presentations are ones we've been working hard to develop.

You can Send A gift to the Printer Project here online, Thank you

Our printer project is still ongoing. We are at \$4,100.00 so far and are in need of \$900.00 more to complete the project. Please keep us in your prayers as we seek the Lord's leading in developing this printer project, and we hope to see it concluded in the near future. Thank you to the many who have given so far toward this project.

Our support is still struggling to meet 100%. As we conclude this third quarter of the year, we are \$400.00 short of our total support goal of \$14,000.00 for the last two months' general expenses. The summer months can be a bit challenging. Please remember us in prayer as we continue to reach that one soul to be saved through our Safety Zones of America campaigns.

We hope you are doing well. We remember you in our prayers and hope the same for you.
