Safety Zones of America Summer 2026

"For the Son of man is come to seek and to save that which was lost." — Luke 19:10

Hello Praying Friends,

The summer has been flying by! Our work of seeing that one soul saved is one of great excitement and great patience as we seek the lost to come and trust in the Lord as their Savior.

I have been traveling extensively, working our outreaches throughout Philadelphia in the beginning of the month. In mid-June, I worked our trailer ministry, and this final week I am holding our Kids Safety Zones at Chichester Baptist Church in Chichester, PA. We have seen a great stirring in many hearts to trust in the Lord as their Savior and to grow in the Word of God!

Book Ministry to Students

One of the ways we help students and families grow in the Word of God is by supplying them with the many different books we offer. We give these away to students and teach them how they can grow by studying the Scriptures. In the last 60 days, we have ministered effectively with these books to over 200 students and leaders. We are very excited about this part of our ministry and believe it will have an enormous impact on these young people's lives.

If you would like to help us with our **Book Ministry to Students**, you can visit our Amazon Wish List and purchase books that will be automatically sent directly to us. We are going through at least 100 books per month. Thank you from the bottom of my heart for your generosity and love for the gospel. Traveling Trailer Ministry

Becky and I have been developing a traveling ministry to churches with our travel trailer. If you would like us to come and minister to your families through our Kids Safety Zones, Youth Safety Zones, or our Family Revival and Evangelism Conferences, we would be glad to come alongside you in reaching souls for Christ. Please reach out to us— we would love to partner with your church family!

Kensington Outreach Highlight

One of the highlights of this month was our outreach in Philadelphia's Kensington neighborhood. Our teams of men and women came alongside me and were blessed to minister the message of salvation and healing from the Lord. It is always a great joy to see young adults — and older ones too — learning to share the gospel with others. This is an absolutely wonderful form of discipleship in the lives of our leaders.

We praise the Lord for the associate evangelists who come alongside this work, and for the college students who help us in this work of gospel proliferation in the streets of Philadelphia. Your prayers are especially needed for such a work as this.
