

Protective Plus

No matter your age, nutrition plays a key role in living your life to the fullest. Lead the active life you love with whole-food, plant-based nutrition.

OVERVIEW

The Protective Plus product combination is an easy and sustainable way to add extra plant nutrition to a busy lifestyle. Keep up with the activities and people you love with whole-food, plant-based nutrition that supports holistic wellness.

PRODUCT BENEFITS

Juice Plus+ Fruit, Vegetable and Berry Blends are clinically proven to protect cells from oxidative stress and support healthy DNA, while also supporting the immune system, heart, skin, teeth and gums. Together, these three blends provide nutrients from over 30 fruits, veggies and plants, helping you to feel young, inside and out.

Combined with our vegan Omega Blend, you'll get extra vision and heart health benefits from a mix of plant oils rich in omega fatty

acids 3, 5, 6, 7 and 9. Plus, by sourcing omega fatty acids from algae and other plants, we created a source of omegas that's eco-friendly and sustainable.
