Dear

October 7, 2024, was a great day for a round of golf -- perfect weather, great fellowship, and a beautiful golf course on which to play. It was also another great success for the J J. Quinn Memorial Charity Golf Tournament. The event raised over \$24,000 on behalf of Angel Flight Mid-Atlantic, bringing the tournaments' total donations to over \$140,000.

The tournament's continued success would not be possible without your ongoing participation and generous financial support. It is YOUR support that guarantees that Angel Flight Mid-Atlantic remains "The Shortest Distance From Home To Hope" by providing FREE transportation to distant medical facilities for those in need. In FY 2024 volunteer pilots flew 771 trips over a distance of 119,702 miles to serve veterans, seniors, cancer patients, and children facing medical crises.

Equally important is the fact that Angel Flight Mid-Atlantic, a Mercy Medical Angels program, uses 85.6% of every dollar donated directly for patient program support. Of the remaining 14.4%, 8.4% is administrative expense, and 5.4% is fund raising expense. Mercy Medical Angels continues to maintain the Charity Navigator 4-star rating for transparency and efficiency.

We look forward to welcoming you as a sponsor of, and participant in, this year's 4-person Captain's choice event to be held, Monday, October 6, 2025 at Fauquier Springs Country Club, Warrenton, VA.
