

2021 Josef Chromy Riesling

Colour	Pale straw with light green hues.
Aroma	A classic talc and kaffir lime nose complemented by mandarin blossom and honeysuckle.
Palate	A textural wine made in a drier style. Ripe citrus and warm pip fruit, this wine offers body and then allows balanced acidity to cleanse and refresh the palate. Youthful notes of natural minerality and zesty, complex citrus will build into honeyed tones with age, while retaining freshness and length on the finish.
Grapes	100% Riesling from our estate at Relbia, Northern Tasmania
Winemaking	Picked in the early morning before forecast heavy rain and pressed while cold. The free run juice was retained, cold settled and cool fermented in 4 separate batches. Left on fluffy lees post ferment until natural settling was completed. Batches were selectively blended to ensure balance of flavour, texture and a complex citrus profile.
Cellaring	Due to the naturally high acid levels in our Rieslings, they have great cellaring potential. Drink now or cellar to 2029 to reveal a richer palate of honeyed toast.
Serving	Oysters, curried scallops, zucchini fritters
Technical	Alc 12.6%, pH 2.93, TA 8.1 g/L, RS 1.9g/L (dry)
