

2021 Josef Chromy Rosé

Colour	Vibrant pale pink
Aroma	Aromas of ripe strawberry, red apple and subtle creamy notes.
Palate	Bright and fresh with juicy red berries and wild strawberry and crunchy acidity offer a crisp and refreshing wine with a long, dry finish.
Grapes	100% Pinot Noir from our estate at Relbia, Northern Tasmania
Winemaking	Estate pinot noir is tipped into the press and the skins are allowed to soak in the juice for 4 hours at cold temperatures to impart delicate colour, texture and aroma. The fruit is then pressed, and the juice is settled until clear. The wine is racked and fermented at cool temperatures to retain the delicate, fruit-driven characters. Bottled under screwcap to enable the wine to be enjoyed at its optimum.
Cellaring	Made with a focus on fresh fruit flavours and best consumed in its youth.
Serving	Summer seafood dishes, vegetable tagine, chicken liver parfait.
Technical	Alc 13.5%, pH 3.19, TA 8.67 g/L, RS 1.5g/L (dry)
