### 2016 JOSEF CHROMY ROSE

#### Colour

Deep pink.

#### Aroma

Intense strawberry and turkish delight nose, with subtle rosehip notes.

#### Palate

Bright cranberry, turkish delight and citrus fruits combine to give a generous, richly textured palate, with a balanced savoury/sweet and long finish.

#### Grapes

A blend of grapes sourced from our estate vineyard at Relbia in northern Tasmania and some of our neighbouring vineyards.

#### Winemaking

Handpicked Pinot Noir is destemmed and transferred into an open top stainless steel tank for fermentation. When approximately 30% fermented, the juice is drained off the skins, and fermented at cooler temperatures. Small amounts of white varieties are added to enhance aromatic freshness and complexity. Bottled under

screwcap, to enable the wine to be enjoyed at its optimum.

#### Cellaring

This wine is made with a focus on fresh fruit flavours. Therefore it is best enjoyed in its youth. Drink now to 2019.

#### Serving Suggestions

Prosciutto, olives and semi dried tomatoes.

#### Technical Details

Alc 13.5%      TA 8 g/L  
Residual Sugar 7 g/l
