Guidance and Illness Policies:

Child Guidance Policy:

The Rainbow Roots Preschool program has an expectation of kindness, consideration and mutual respect between all parties. We strive to enable children to effectively function within a group of their peers and with staff members. Staff may determine that a child requires consequences for negative actions or reactions. If a staff member determines that a child must be disciplined, the staff member must take disciplinary actions that are reasonable in the circumstances.

For instance, If a student demonstrates aggression towards another child, the two students must be separated from one another, and the aggressive student is given a developmentally appropriate consequence. Students are never completely isolated during any consequence. A possible sequence of events might be that a child is asked to stop an activity, speak with a staff member about what has transpired, consider his/her actions, and then apologize as appropriate. The staff member must help the child to better understand the situation and the reason for any consequence. The staff member speaks with the child in terms that he or she understands and redirects the child to more appropriate activities.

Parents will be verbally notified at student pick-up if disciplinary action was necessary for their child's actions during that school day. Parents will be asked to sign an Incident Report that describes any inappropriate behaviours requiring discipline and the consequence authorized by the staff member. If multiple incidents are initiated by the same child during one class period, the child's parent will be asked to remove the child from the class for the rest of the school day.

At Rainbow Roots Preschool, we teach children to “treat others as you would like to be treated”. We guide children to use words and positive actions to express their feelings. Staff members help students to resolve conflicts in a peaceable manner, in order, to become more responsible friends, classmates, and citizens.

Illness Policy:

Parents/ Guardians are expected to keep ill children away from preschool classes until signs and symptoms of illness have been gone for a period of 24 hours. Before attending class, please ensure your child does not have a fever. For the health and safety of others and themselves, children will not be permitted to attend class while ill or if they have contracted a communicable disease (ie. chicken pox; COVID-19). Alberta Health Guidelines must be adhered to with respect to COVID-19. Please contact our office to **report absences** as early as possible: call/ text 403-875-5696 or email rainbowrootspreschool@gmail.com.

I/ We agree to the policies and procedures outlined above; furthermore, I/ we agree to fulfill all financial obligations relating to the Rainbow Roots Preschool program.
