

Shooting Cue

Introducing the Shooting Cue from Colorado Cues. Crafted with precision and expertise, the Shooting Cue is designed for aspiring players who demand excellence on the table.

Features:

- **100% Carbon Fiber Shaft with Layered Pigskin Tip:** Experience unparalleled control and accuracy with the 100% carbon fiber shaft featuring a layered pigskin tip. Choose from options of 11.5mm up to 13mm to suit your playing style. Choose Standard or Pro taper (Snooker tapers available in 9mm, 9.5mm, or 10mm).
- **Carbon Fiber 3K Twill Handle with Stainless Steel Unilock Joint:** Enjoy a comfortable and stylish grip with the Carbon Fiber 3K Twill handle, providing a perfect balance of performance and aesthetics.
- **7" Extension Included:** Achieve optimal performance with the included 7" extension, providing enhanced reach and stability for those crucial shots.
- **4" or 6" mid extensions** are available. Ideal for taller players seeking extended cue length.
- **Adjustable Weight:** Customize your cue from 19oz to 21oz to suit your needs with one of the optional Weight Bolt Kits.
- **Finish Options:** Choose between Glossy or Matte finishes to match your style and preferences.
- **Color Choices:** Choose from a range of vibrant colors including Black, Light Red, Red, Rose Red, Rose, Orange, Golden Yellow, Lemon Yellow, Fluorescent Yellow, Green, Light Blue, and Blue.
- **1x1 Case with External Pocket:** Protect your cue in style with the included 1x1 case featuring an external pocket large enough for the extension.

Elevate your game to new heights with the Colorado Cues Shooting Cue. Experience precision, performance, and perfection like never before.

Junior Cue

Introducing the Junior Cue from Colorado Cues. Engineered for accuracy and finesse, the Junior Cue is the ultimate choice for young pool enthusiasts seeking to learn and compete. This cue is a standard 29" long with the 7" extension attached. This means the cue will accommodate growing young players from about 4'2" tall to 5' 10" tall. The cue also fits nicely into any regular-sized cue case.

Features:

- **Full-length 100% Carbon Fiber Shaft with Layered Pigskin Tip:** Experience unparalleled control and accuracy with the 100% carbon fiber shaft featuring a layered pigskin tip. Choose from options of 11.5mm up to 13mm to suit your playing style. Choose Standard or Pro taper (Snooker tapers available in 9mm, 9.5mm, or 10mm).
- **Carbon Fiber Handle with Stainless Steel Unilock Joint:** Enjoy a comfortable and stylish grip with the Carbon Fiber handle, providing a perfect balance of performance and aesthetics.
- **7" Extension Included:** The Junior Cue handle with the extension attached is the same length as a regular length handle. Extend your Jr's reach and enhance their game with the included 7" extension, allowing for greater versatility and performance. Ideal for shorter players seeking a cue of appropriate length that will accommodate their growth for years to come.
- **Adjustable Weight:** Customize your cue to suit your needs with one of the optional Weight Bolt Kits.
- **Finish Options:** Choose between glossy or matte finishes to match your style and preferences.
- **Color Choices:** Personalize your cue with a variety of color options including Black, Light Red, Red, Rose Red, Rose, Orange, Golden Yellow, Lemon Yellow, Fluorescent Yellow, Green, Light Blue, and Blue.
- **1x1 Case with External Pocket:** Safeguard your cue in transit with the included 1x1 case featuring an external pocket large enough for the extension.

Dominate the pool table with precision and finesse. Choose the Colorado Cues Junior Cue and elevate your game to the next level with a cue that grows with you.

Jump/Break Cue

Introducing the Jump/Break Cue from Colorado Cues. Engineered for power breaks and precision jumps, the Jump cue is the ultimate tool for players looking to make a statement at the table. Jump and Break like a pro player with a cue that makes it easy to execute your best shots under pressure. Handle breaks down to either a 'Dart' or 'Sidearm' style Jump Cues.

Features:

- **Carbon Fiber Shaft with Micarta Tip:** Experience unrivaled power and accuracy with the carbon fiber shaft featuring a Micarta tip measuring 13.8mm, designed for maximum impact and control.
- **2 or 3-piece Carbon Fiber Handle with Stainless Steel Unilock Joints:** Enjoy a comfortable and stylish grip with the Carbon Fiber handle, providing a perfect balance of performance and aesthetics. The 3-piece handle gives you additional options to finetune your jump game.
- **Adjustable Weight:** Customize your cue from 19oz to 21oz to suit your needs with one of the optional Weight Bolt Kits.
- **Finish Options:** Choose between glossy or matte finishes to suit your style and preferences.
- **Color Choices:** Personalize your cue with over 24 bold color options including Black, Light Red, Red, Rose Red, Rose, Orange, Golden Yellow, Lemon Yellow, Fluorescent Yellow, Green, Light Blue, and Blue.
- **1x1 Case with External Pocket:** Protect your cue with the included 1x1 case featuring an external pocket large enough for the extension.

Whether you're power breaking, or making precise jump shots, the Colorado Cues Double Jump/Break Cue is your ultimate companion on the table. Elevate your game and leave your mark with every shot.
