Staffing

Welcome back to Emma MacCallum our Head Teacher, who has been on secondment for the Scottish Government for the past two years.

We are also delighted to have welcomed Lesley Rogan and Amber Gordon who joined our PSA team last term and put their skills and expertise to work straight away, supporting our children.

Last term in the nursery, we welcomed Laura MacLennan, who joined us as a support worker in Ocean room.

Term 2 Achievements

Nursery Inspection

We were delighted with the progress recognised by the Care Inspectorate Inspection. Thank you to all the staff for their hard work and dedication!

Christmas Performances

We are very proud of all of our children who participated in our Christmas production 'Born This Night'- A Makaton Nativity. Everyone performed their socks off and did themselves, and the school proud. Thank you to all parents/carers who came along to support our children and for your generous donations. We raised over £850 for schools funds.

Our choir also performed at the Aviemore Christmas Lights Switch On and in Eastgate Shopping Centre and Railway Station in Inverness during December and raised over £300 for choir resources.

Halloween Disco

Huge thank you to Sonia and our Parent Council for organising an excellent Halloween disco. £113 was raised to support the school and the children had a blast.

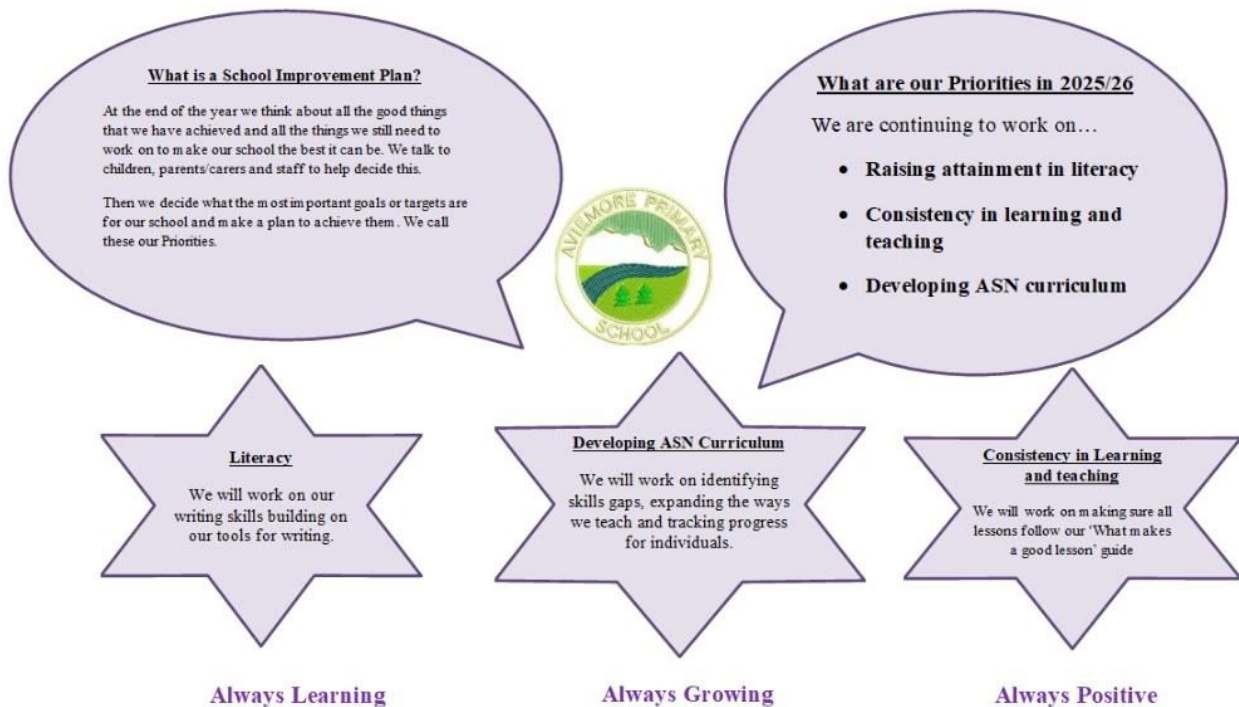

Christmas Fayre

Well done to ALL of children and staff, in both school and nursery, who worked so hard on their enterprise topics. All classes and rooms contributed to our Parent Council Christmas Fayre and

sold out of their products! The children loved all the learning about profit and loss and how to market their products. A huge thank you to everyone who was able to attend and spend a pound or two. The profits will be put towards class purchases! Special mention goes to the Parent Council who ran the refreshments stall, face painting and supported our Smartphone free childhood stall. They also raised £352 to go towards wonderful opportunities for our children.

A reminder that our three School Improvement Plan Priorities are:

- **Literacy**
- **Developing ASN Curriculum**
- **Consistency in Learning and Teaching**

Progress so far:

- **Literacy (NIWP)** - We have been working hard on rolling out the NIWP across all classes (except P1). Staff have attended training, including twilight sessions and we have done work on consistency of the delivery and documentation across the school. Children are motivated in this approach to writing and are invested in the collective success.

- **Developing the ASN Curriculum-** We have been developing our PE curriculum for ASN and have organised swimming lessons this term, as well as having organised 'Play on Pedals' (Bikeability) for term 3. We also participating in the 360 curling programme and hope to visit our local ice rink this term. We have developed planning and assessment folders specific for ASN to ensure consistency across the provision. We have also developed assessment documents to capture holistic progress against ASN milestones. We have created an ASN inclusive version of the Kingussie High Passport of entitlement, to celebrate experiences for our children.
- **Consistency in Learning and Teaching-** We have been doing a considerable amount of work across the school on our consistent approaches and have been exploring differentiation, questioning, learning intentions and success criteria and what these will look like in every classroom. We have been completing regular quality assurance observations to ensure these are being implemented.
