

**Aviemore Primary School/ELC**  
**Planning the Outcomes of Learning - Termly Organiser**

**Session: 2025-26**

**Term: 2**

**Class: P1/2**

**Teacher: Mrs Lewis & Mrs McIntyre**

**Topic: Economy and Enterprise**

As well as learning about Social Studies and Science/Technology through named topics we will use a play approach to offer experiences that are pupil led. Some of these experiences identified by pupils last term: wanting to learn about butterflies, bees, football, yoga, reading and making more meals. We will use our global animal explorers during the learning experience; the focused fox, persistent penguin, creative crab, problem solving cheetah, curious cat, collaborative croc, ready rabbit, calm horse, critical crow and empathetic elephant. During the pupils' learning they will be taught directly by the teacher (TD), given tasks to complete, initiated by the teacher (TI) or during Discovery Time they will choose what they learn using provocations left by the teacher (CL)
