

Riyadi Interview Service: Make Smarter Hiring Decisions

Saudi Arabia's premier interview services partner.

We help organizations make smarter hiring decisions through expert-led evaluations and structured frameworks.

Current Hiring Challenges in Saudi

Time constraints

Strategic roles are difficult to fill within required timelines

Recruitment teams lack time for in-depth evaluations

High costs

Misaligned hiring leads to financial and performance risks

Process delays

Traditional agencies involve lengthy procurement cycles

Interviewing-as-a-Service

1

Behavioural Competency Interviews

We assess cultural fit, leadership potential, and essential soft skills.

2

Technical & Strategic Interviews

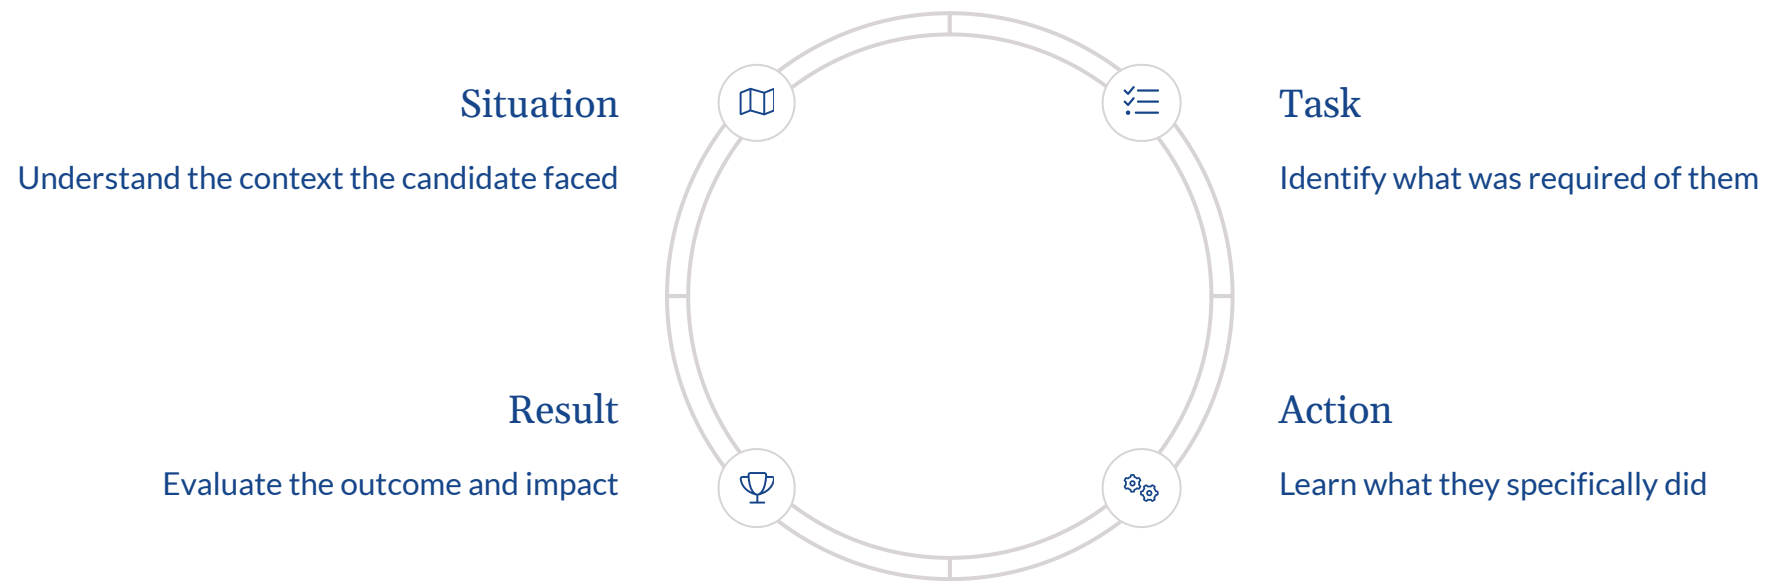

Role-specific questions aligned with job level and business needs.

3

Structured Feedback Reports

Clear summaries with strengths, concerns, and hiring recommendations.

The STAR Methodology

This approach ensures consistent, insightful, and evidence-based assessments.

Why Choose Our Service?

Saudi-rooted

Deep understanding of local business norms and culture.

Fast Engagement

Freelance model means no procurement delays.

Expert Interviewers

Led by professionals from key corporate functions.

Cost-Effective

Pay-per-interview with no long-term contracts.

When to Use Our Service

Interviews Lack Structure

When assessment varies between interviewers

HR Team Is Stretched Thin

When internal teams manage multiple priorities

Business-Critical Roles

For positions where wrong hires impact strategy

Internal Bias Is a Concern

When you need neutral, third-party evaluation based on merit.

Interviewing Skills Are Inconsistent

When hiring managers lack formal training in assessment.

Confidential Assessments Needed

For sensitive transitions requiring private, impartial interviews.

Pricing Structure

SAR 1,000

Per Interview

Simple, transparent pricing

100%

Remote Delivery

Accessible anywhere in Saudi Arabia

0

Retainer Fees

No long-term contracts required

Each interview includes customised questions, expert Saudi professionals, and structured STAR methodology feedback reports.
