

MOBILE COLLEGE & CAREER SERVICES

SPRING/ SUMMER 2023

ABOUT OUR PROGRAM

The Mobile Education Bus (MEB) is a unique educational experience. This resource center on wheels delivers college and career support to middle and high school students throughout Northwest Indiana.

Our program provides personalized guidance and group workshops to help students achieve their academic goals. We offer academic advising, individual education plans, information about college entrance exams, opportunities for alternative career paths, and more.

Coates Inc delivers independent, objective and confidential college and career consulting services. We research and provide individualized post-secondary planning services to the students and their caretakers.
