My Mint Customized 1 oz .999 Pure Silver from US Mint

Preserve your memories with a Customized Silver Coin!

Customize your coin for any occasion, including birthdays, weddings, anniversaries, graduations, and other events.

The coin will be designed with a photo supplied by the customer, along with:

- 1) Full Name
- 2) Birth date or Occasion date
- 3) Type of Occasion
- 4) Short Inscription: The special words or letters

The front of the coin will feature your custom design, and the back will feature the American Eagle. The Customized Coin price is \$187.00. A \$60.00 deposit is required per custom coin order. The balance is due after the customer approves the completed design. Most major credit cards are accepted.

The price of the Customized Coin includes:

- 1) Coin shipped in a clear coin case to preserve the silver
- 2) Design
- 3) Shipping & Shipping Insurance
- 4) American 250th Anniversary Celebration Inscription - Optional

Please note: This precious metal coin is real currency. The spot price* of silver fluctuates daily based on global market conditions. The market value tends to increase in the current economy.

Other Precious Metal dealers are selling the Americans' 250th Anniversary coin without a customized design, starting at \$199.99.

* It changes constantly during trading hours based on global supply and demand.
