

NEW ARRIVAL

**HD SUPER HIGH
GLOSS UV**

FACTORY:

2-Km, Jhang Bhakhar Road, Mankera.

A full-page background image of a marble pattern. The pattern features large, irregular, light cream-colored areas separated by veins of brown, tan, and dark grey. The veins are irregular and flowing, creating a natural stone texture.

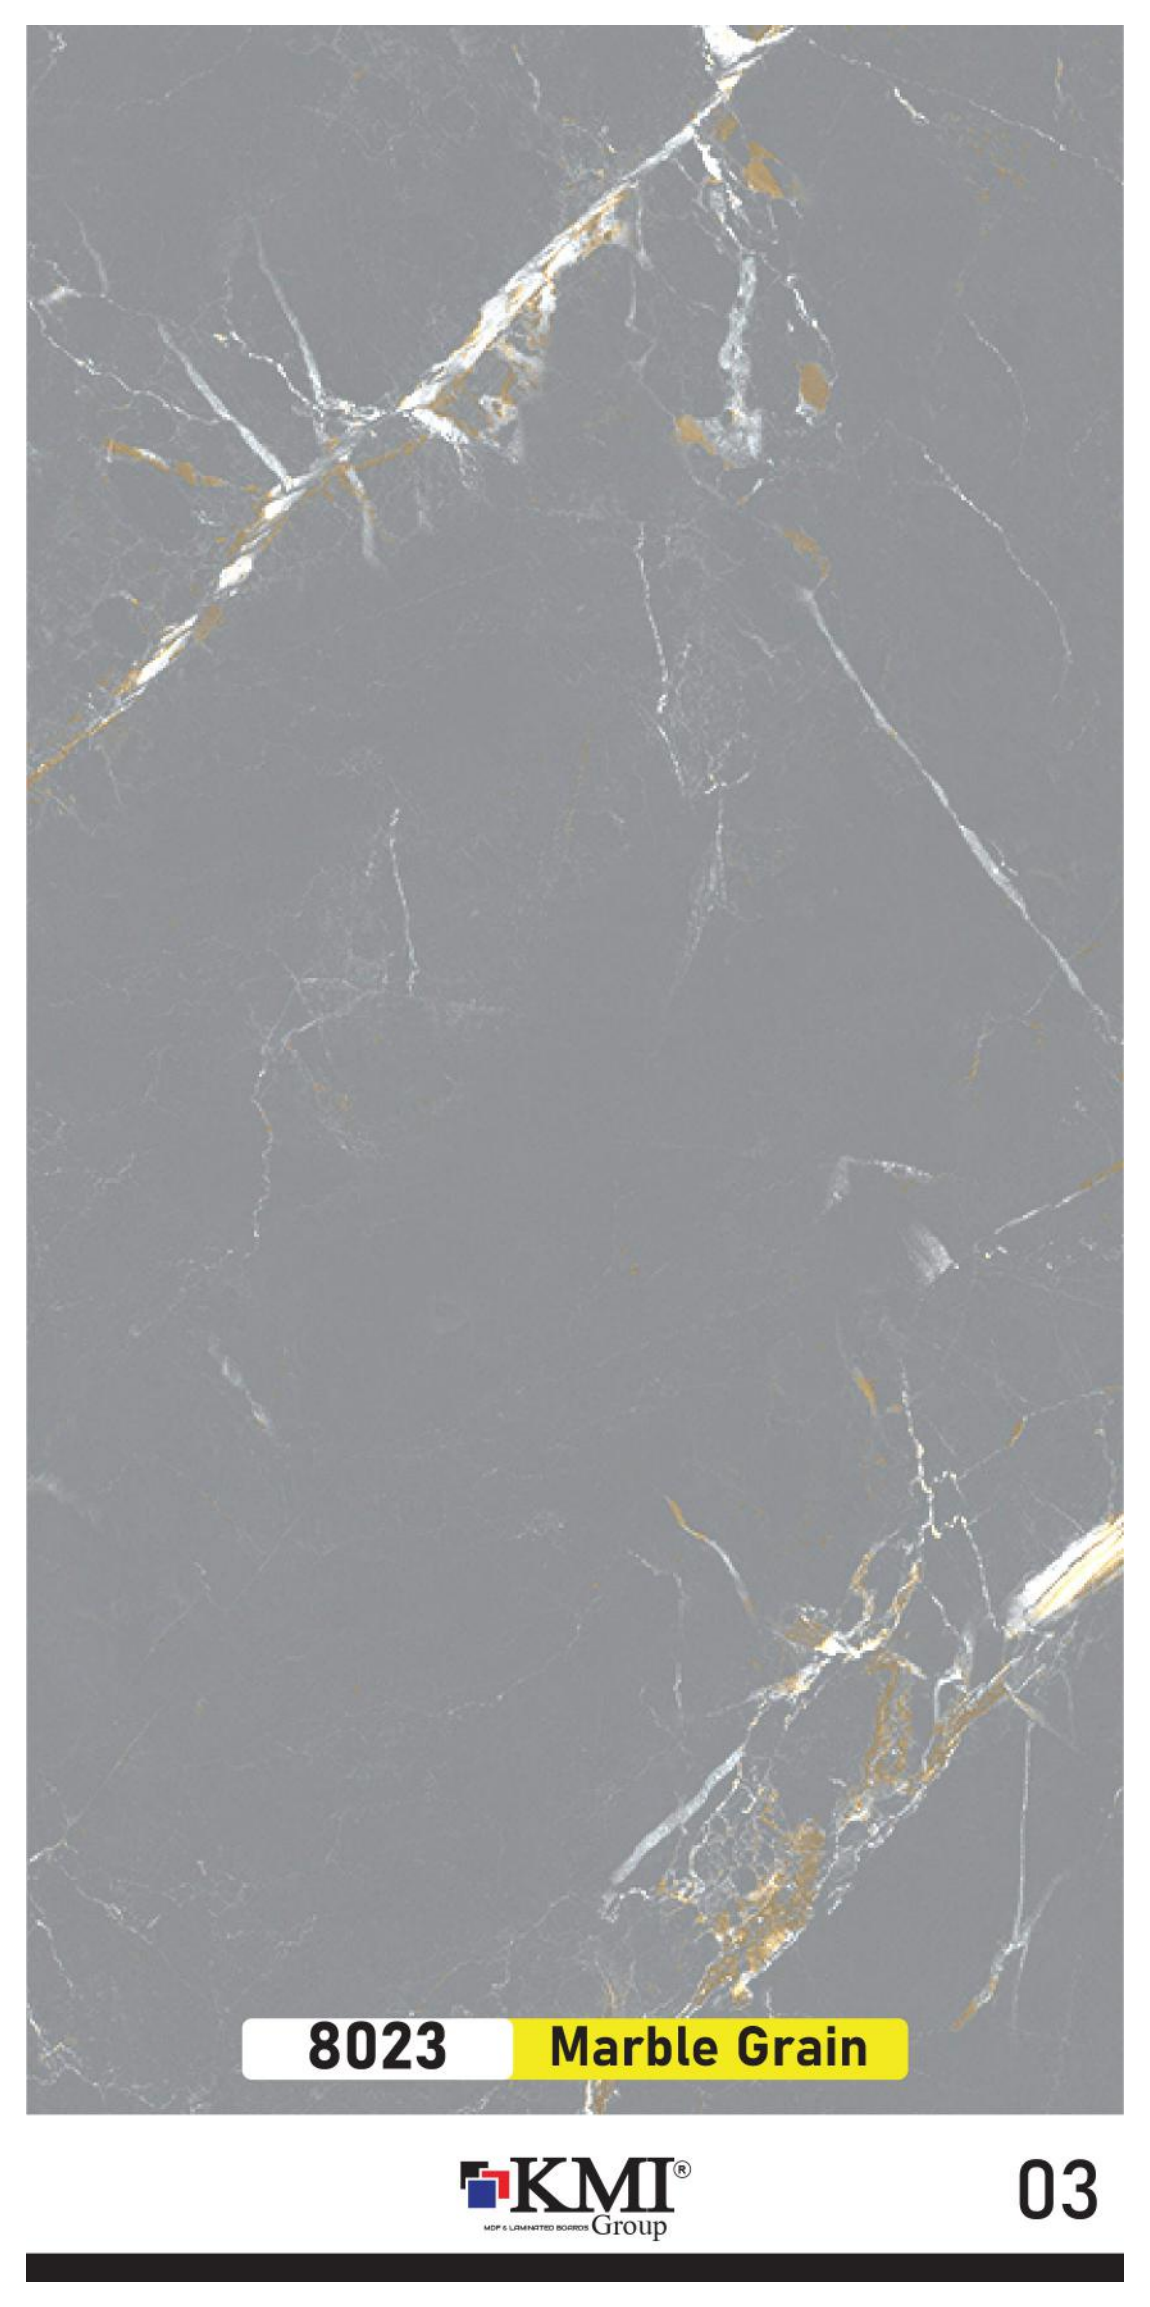

8021

Marble Grain

A full-page background image showing a detailed marble grain pattern. The pattern consists of swirling, veined textures in shades of cream, beige, and light brown, characteristic of natural marble or high-quality laminate.

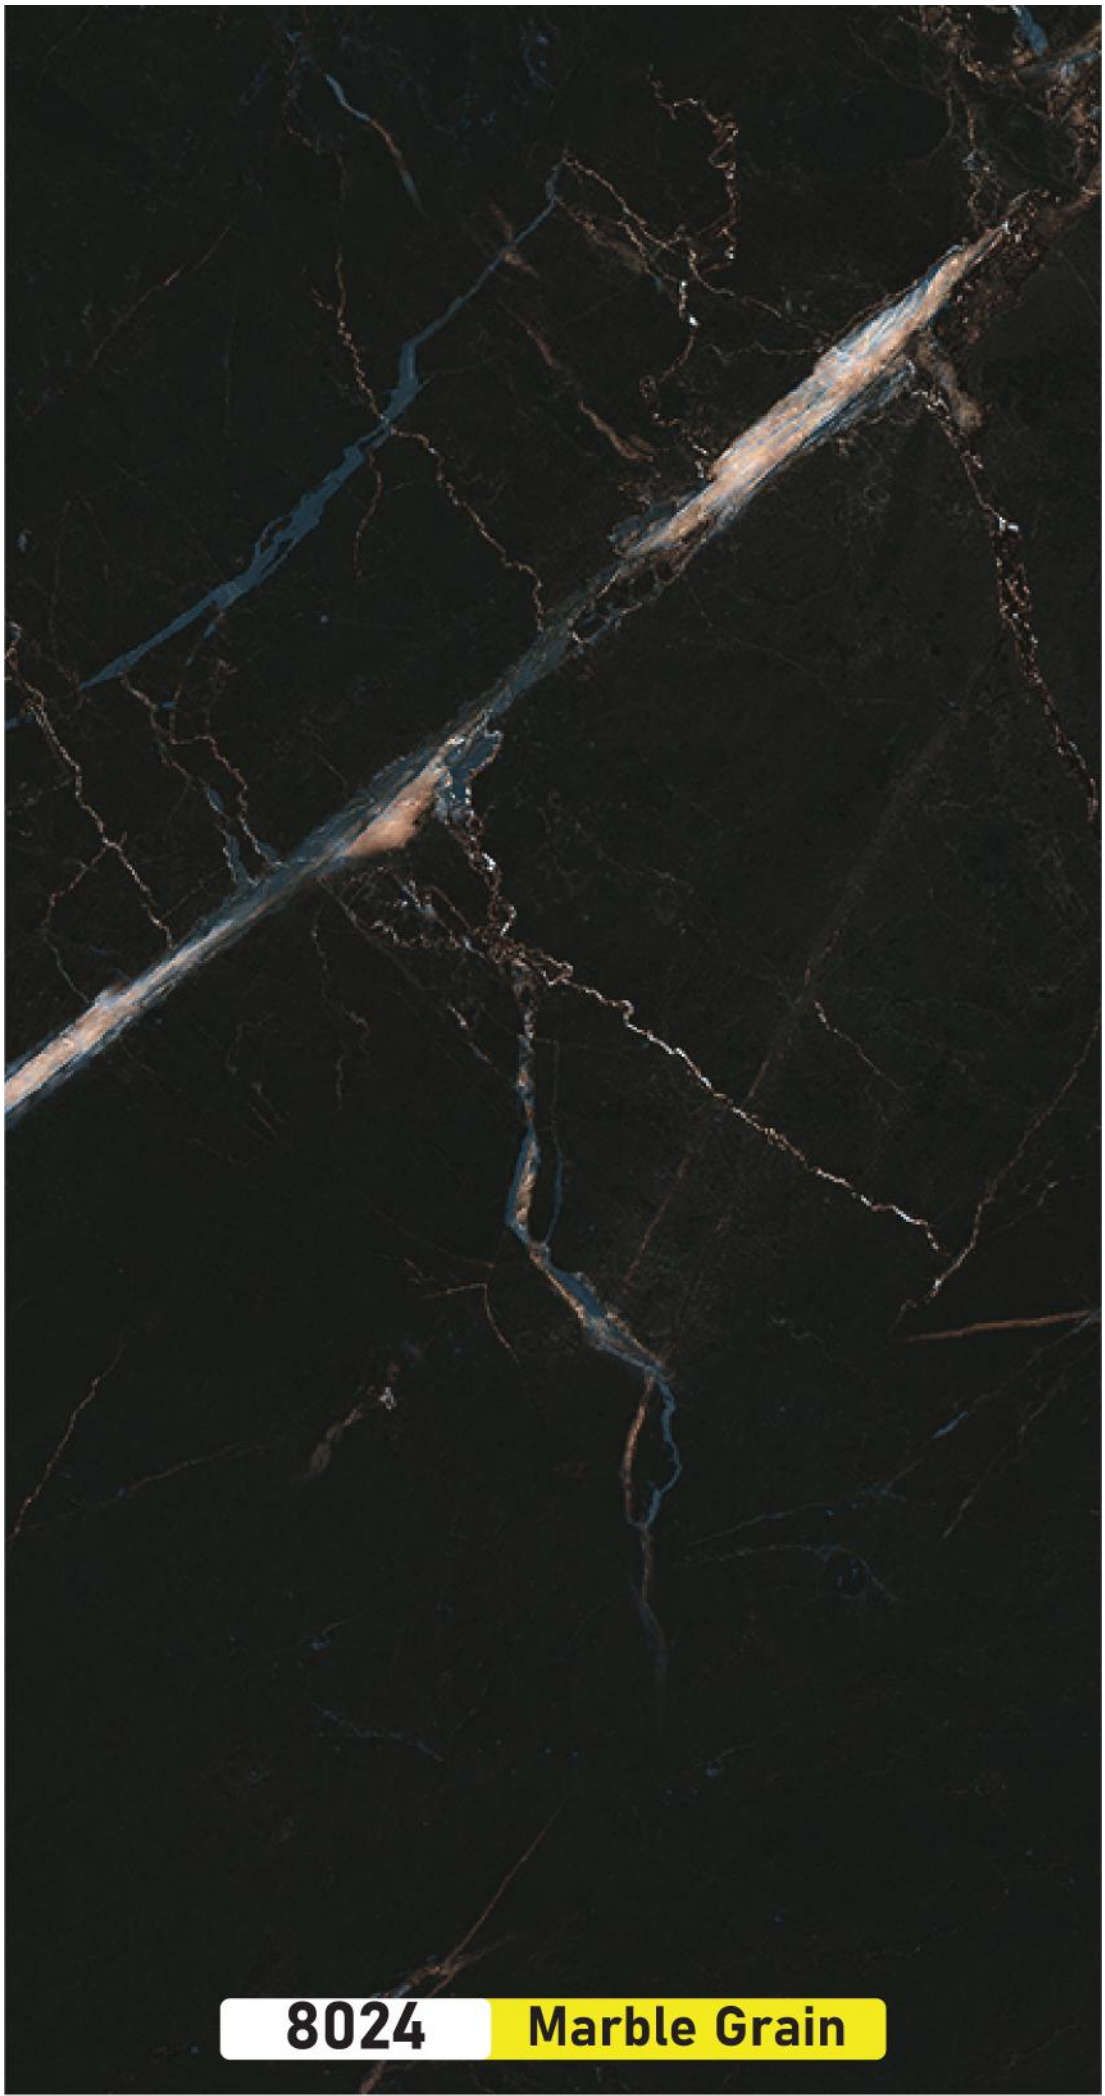

8022

Marble Grain

A full-page background image showing a dark grey marble pattern with intricate, flowing veins of white and gold. The pattern is dense and covers the entire surface.

8023

Marble Grain

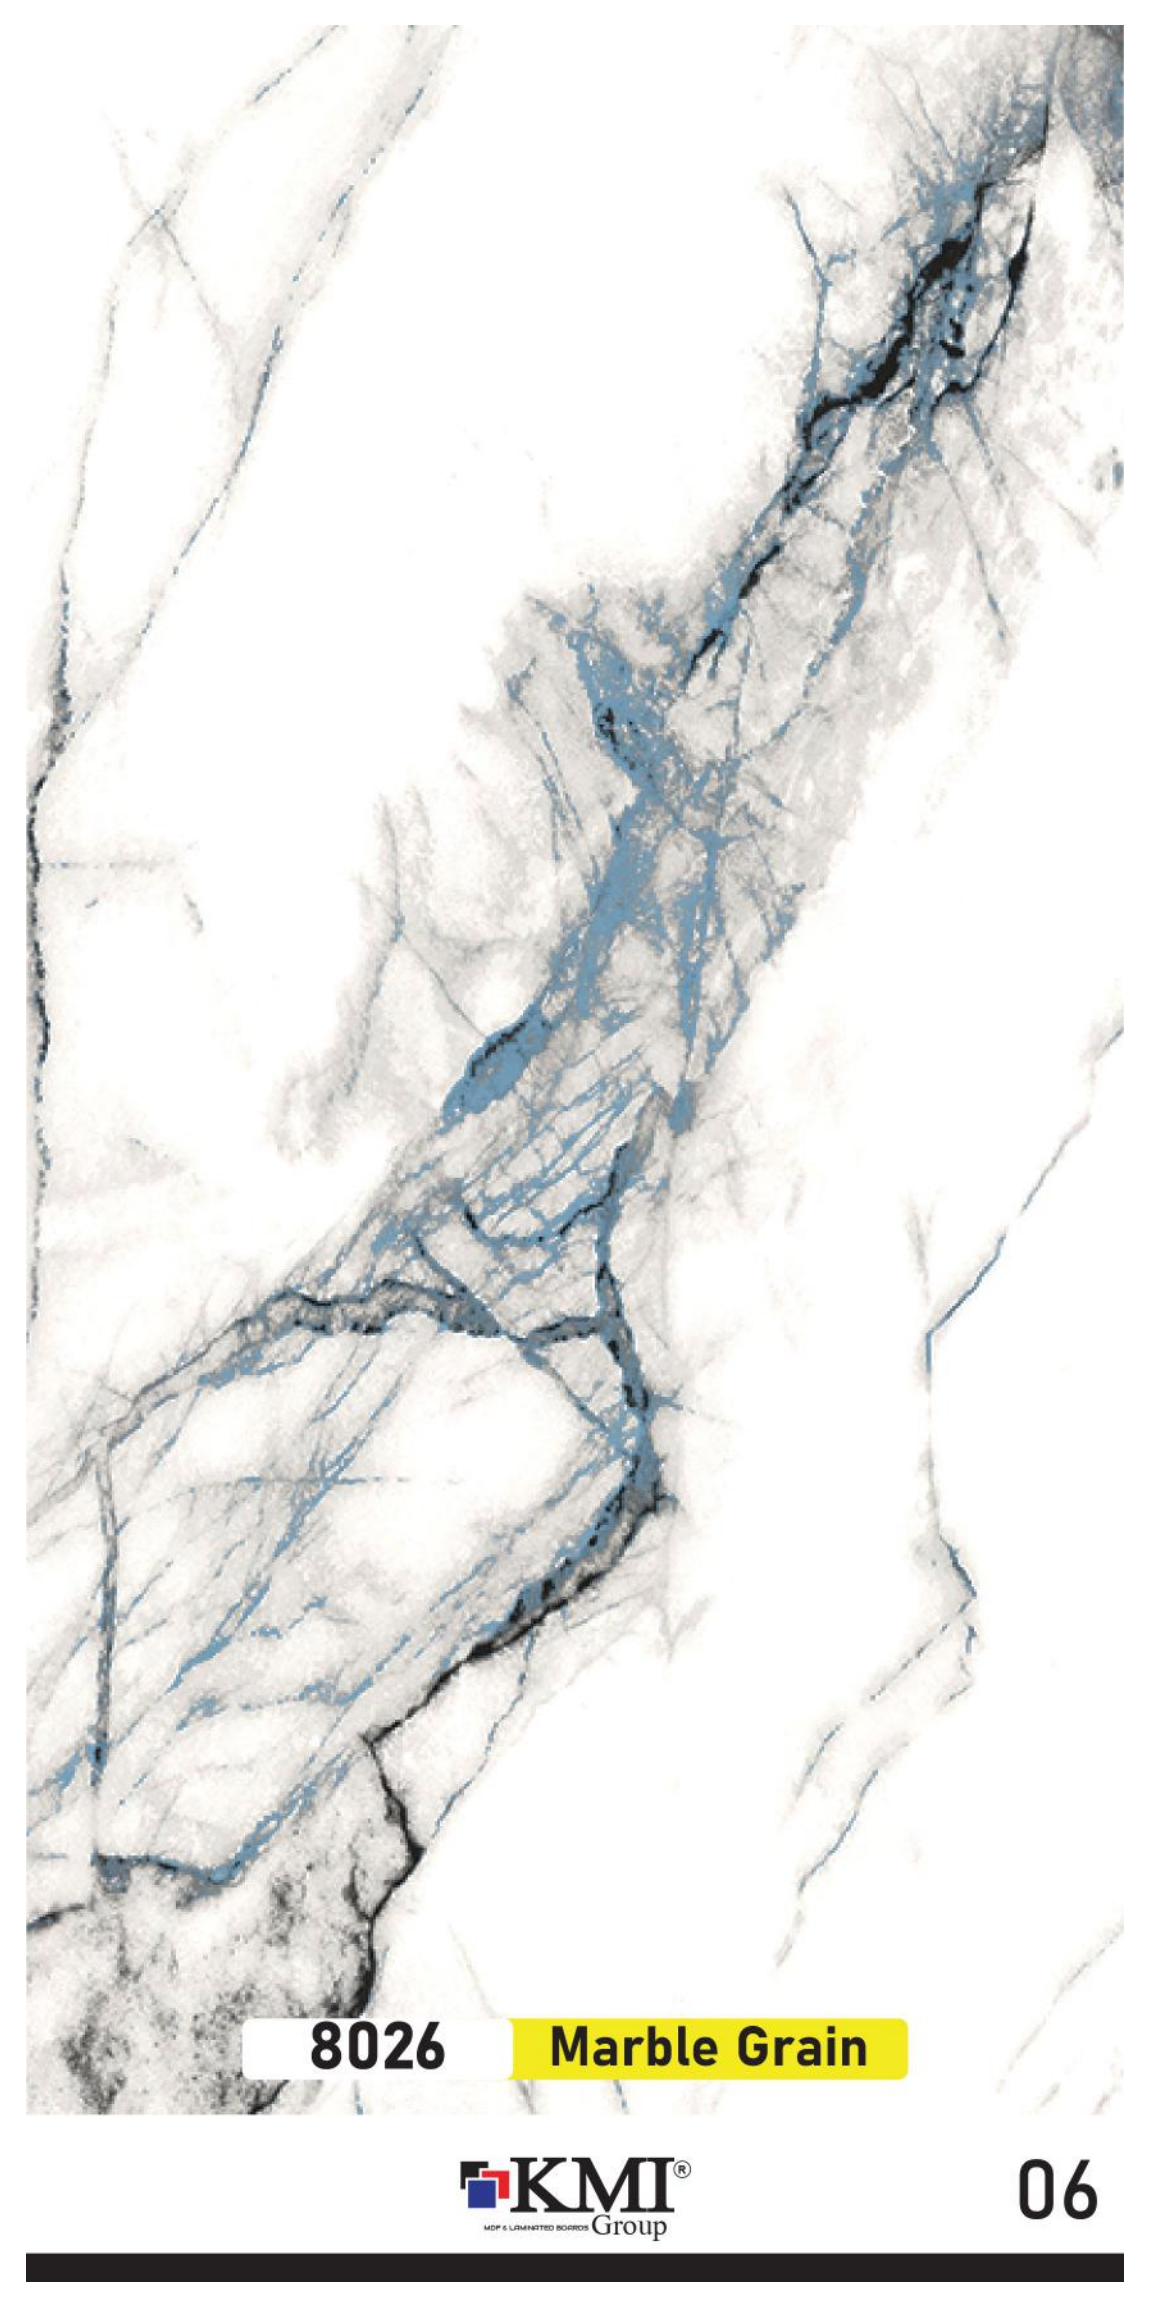

8024 **Marble Grain**

The background of the entire page is a high-resolution image of a marble surface. It features a complex pattern of veins in shades of cream, light beige, and pale yellow, interspersed with thin, dark grey or black lines. The overall effect is a classic, elegant marble texture.

8025

Marble Grain

A full-page background image showing a detailed marble grain pattern. The pattern consists of intricate, swirling veins of light beige, cream, and soft blue, set against a darker, charcoal-colored base. The veins vary in thickness and direction, creating a complex, organic texture.

Wood Grain

7038

Wood Grain

A close-up, vertical view of a wood grain texture. The grain runs vertically, showing various shades of brown and tan. There are several knots and natural imperfections visible in the wood. The texture is highly detailed, showing the grain's depth and the way light reflects off its surface.
