I have checked the details above and I confirm they represent my requirements. I confirm that the address where the work is to be undertaken is owned by me and not in multi occupation. I authorise the submission of any application to secure building regulations and if required planning permission on my behalf and at my expense included within the agreed contract price above. I understand that specification and sizes may vary in order to comply with building regulations 1985 and that these regulations will determine the eventual use of the project space.

I have read and understood the above information and terms of this contract between Creo Design & Build and myself and agree the the Terms & Conditions of Business.
