## Policies

### Attendance and Punctuality:

- Regular attendance is vital. Students are expected to arrive on time. If late, please wait for the teacher's permission to enter.
- Students have 30 days to make up any missed class.

### Classroom Conduct:

- Our classrooms are a place for learning and focus. Parents are kindly asked not to be in classes for Level I and above to help students concentrate. We understand the desire to watch, and we provide viewing windows for this purpose. Filming inside the class is not allowed without the teacher's permission.

### Behavior and Conduct:

- We are a no-bullying studio. All students must treat others with kindness and respect. Gossiping or putting down other students is never allowed.

- The decision to remove individuals from the studio for policy violations rests with the studio owner/director.

**Dress Code and Equipment:**

- Students must wear appropriate dance attire, with hair secured up before class. No phones, food, or gum are allowed in class. Students should bring a closed water bottle.
- Respect studio equipment and use it only when instructed by a teacher.

**Parent and Student Communication:**

- We encourage open communication and are always here to address any questions or concerns. Important updates will be shared via email and our social media channels.

**Health and Safety:**

- The well-being of our students is our priority. We expect students/parents to inform instructors of any health issues or injuries before class.

**Payment and Fees:**

- Tuition fees are due monthly. Additional fees for costumes, competitions, and special events will be communicated in advance.
