

## **Puppy Vaccination Schedule**

*Alaska Toy Dogs, LLC*

*Your veterinarian will determine a schedule for your puppy. What follows is a sample for puppy vaccinations and wormings.*

<i>Age</i>	<i>Vaccination</i>	<i>Supplement</i>
<i>6 weeks</i>	<i>parvo, Distemper</i>	<i>worming</i>
<i>9 weeks</i>	<i>parvo, Distemper</i>	<i>worming, first flea/tick treatment</i>
<i>12 weeks</i>	<i>parvo, Distemper</i>	<i>worming, first heartworm treatment</i>
<i>16 weeks</i>	<i>1st year rabies vaccine</i>	<i>(age varies by state, check with your veterinarian)</i>
<i>1 year</i>	<i>SPAY/NEUTER!!!, 2nd year rabies vaccine, Parvo &amp; Distemper, worm treatment</i>	

*If you live in the continental United States, you will need to treat against heartworm, fleas and ticks on a MONTHLY basis. Continue worm treatments at least twice a year.*

*Please call or email if you have any questions*
