

Highlights from 2025

HOUSTON MARRIOTT SUGAR LAND

YOU MADE ROOTS, BOOTS & BLING UNFORGETTABLE!

What a night! Thanks to your incredible energy, generosity, and Texas-sized heart, Roots, Boots & Bling 2025 lit up the Houston Marriott Sugar Land with sparkle, soul, and purpose.

Emcee Abigail Dye, Sugar Land Mayor Carol McCutcheon, and Reverend Ann Lister took the stage to honor the resilience of families and the professionals who walk beside them every day.

We honored Child Advocates of Fort Bend and Regions Bank for their steadfast commitment to children and families. Child Advocates received the Child Welfare Professionals Appreciation recognition for decades of trauma-informed advocacy and tireless efforts to protect and uplift vulnerable youth.

Regions Bank earned the Community Partner Award for its hands-on engagement and leadership in promoting financial empowerment, family stability, and generational wealth. Both organizations lead with heart and purpose, advancing the mission of Family Roots for Life, Inc.®.

David Daniels and LaTika Jeffrey took the stage and immediately captured the room.

They shared their stories with boldness, transparency, and a clear call to action—voicing their journeys with strength, sincerity, and purpose.

The audience leaned in, fully engaged, hanging on every word as their stories revealed not only the challenges they overcame but the purpose they now carry as mentors and changemakers.

Their voices stirred hearts and reminded us why lived experience matters—and why every story deserves to be heard.

Guests danced, dined, and bid generously in the silent auction—all to help reunite, reconnect, and restore families.

We appreciate each supporter of Roots, Boots & Bling who brought the boots, the bling, and the heart—and making this an unforgettable night.

With heartfelt gratitude...

We tip our hats to our generous sponsors and donors. Your steadfast support makes Roots, Boots, & Bling possible and fuels the mission of Family Roots for Life, Inc.® Together, we restore children and families, strengthen communities, and blaze trails toward a brighter future.
