2025 SPONSORSHIP PACKAGE

Dear Sponsor,

Family Roots for Life, Inc.[®], passionately serves youth, young adults, and all members of the family unit. We specialize in assisting individuals affected by foster care, adoption, juvenile justice, and other vulnerable populations in Greater Houston, including Harris and surrounding counties. Our focus is intentionally placed on youth aging-out of the child welfare system, family reunification, and emotional wellness. Our collaborations with community partners are pivotal to our commitment to create lasting change for individuals and families.

What we know. They need us.

Recent data shows there are well over 360,000 youth in foster care in the U.S. Every year, approximately 20,000 young people “age out” of care. In Texas, more than 1,200 emerging adults are emancipated from the child welfare system without family or a secure support system. Studies show that family and positive relationships significantly contribute to transition-age youths’ ability to successfully evolve into adulthood with a stable sense of self, personal responsibility, and financial independence. Research has also proven that Community-Based Care is integral to improving outcomes for young adults aging out of care.

Programs facilitated by Family Roots for Life, Inc.[®]:

- help young adults gain courage and strength by knowing they are supported by individuals who care for their well-being.
- prepare those who may live in group homes or residential treatment centers, have aged out of foster care, or who live on their own with few or no family supports or connections for adulthood by informing them of healthy practices and offering life skills to help them succeed.
- connect young people to critical community supports encouraging hope for a promising future.

We dream of a world in which every child and young adult has a secure, stable family enabling him or her to thrive and achieve his or her full potential, but we need you. Generous donors make it possible for us to give hundreds of grateful young adults and families in our area a chance at a successful life.

Dare to dream with us.

Please join our family as a Sponsor of our programs through our ***Roots, Boots, and Bling!*** fundraiser. Your generosity will contribute to the livelihood of our community and the youth and families who reside in it.

We look forward to your participation as a Sponsor, and as an attendee on September 26 at 7pm at Houston Marriott Sugar Land. Remember, ***Roots, Boots, and Bling!*** is a co-ed, western-themed, boots, hats, or bling affair. Bring your favorite cowgirls and cowboys and we’ll see you there!

Sincerely,

Atasha Kelley-Harris
