From the East:

Brothers – as 2025 winds down, so does my time in the East. I appreciate all of the support I have gotten from the many Brothers of Amelia Lodge. I would be remiss though if I did not take one last chance to encourage the Brothers that are local, and do not come to lodge, to start coming back. You pay dues into an organization that you do not use or benefit from. I have told you for the last couple of years that your Lodge needs you, and that is not just a feel good statement. We seriously need your ideas, your time and your fellowship. There has been an increase in activity at the lodge and Brothers are doing a lot more than just reading the minutes and going home. If you have not been to lodge lately, you are missing out on activities that have brought our core group closer together, and we want you to be a part of that. 2026 will be a great year to get back involved.

Finally, and the year ends, I want to wish all of you and your families a joyous and safe Christmas season, as well as a prosperous New Year.

Fraternally Yours

W.M. Steve Pribulick

From the West

Brethren, As I prepare to depart the West and enter the East, I do so with gratitude for your trust and with a clear vision for the work before us. We have a big year ahead, one that will call for greater participation, thoughtful planning, and the collective wisdom of our Lodge.

In the coming weeks, we will be forming committees, discussing our finances, and charting the course for the future of our Lodge. These efforts cannot succeed without the active involvement of our members. I respectfully ask each of you to be present as often as possible, to lend your voice, your hands, and your light to the work we share.

Together, in unity and Brotherly Love, we will continue to build a strong and vibrant Lodge for generations to come.

-Bro. Andrew Davis

From the South

Brothers , This year has passed us by in a blur. With the new year comes new opportunities and challenges. We do our traditional version of Masonic musical chairs there will certainly be some mistakes. This is how we grow as brothers with these mistakes we identify our deficiencies and they become teaching moments for others. It is at this time we should all remember the three precious jewels we were told of as Fellow Crafts. The attentive ears can receive instruction from the instructive tongues to correct our deficiencies and we work to ensure all is retained in our faithful breast. All while remembering we are brothers in the same fraternal family and all families need patience and understanding sometimes.

As I am writing this I am excited and a little nervous to leave my refreshment duties behind and a bit apprehensive about moving into a role I am less comfortable in. I have certainly enjoyed making sure everyone was provided a good meal for our brothers to gather and have fellowship around the tables. Much the way we gather around the table to celebrate the holidays with our families. I also need to thank everyone for the help I received when the duties were too great a burden. It is very humbling for me to ask for help and not having to ask twice was great. Thank you for a great year in the South. Looking forward to the challenges the West will bring in the coming year. Merry Christmas Happy New Year
