From the Secretary:

WHY PAY DUES?

I am sure at one time or another we have all heard a Brother remark, "There is no need to pay dues anymore" ... "I can't attend meetings" ... "I cannot be active" ... "I live too far from the Lodge" ... "I am busy that night" ... and on and on. First of all, being a Mason is not only attending meetings...no matter how important they are...being a Mason is LIVING a life of Masonic principle...these principles are taught all Masons in all Three Degrees.

Let me repeat, It is BELIEVING AND PRACTICING our vows in and out of the Lodge that make us truly Master Masons. When a member of our Fraternity pays his dues, he is supporting a cause that he believes in...he is helping that organization...that Fraternity of free men who believe in moral character...love of country and the building of a Temple not made with hands eternal in the heavens...my Brothers, a Mason builds a heritage for those who come after him.

Jack Wolfenson P.M., Hibiscus Lodge No. 275, Miami Beach, Florida,
From the FLORIDA MASON, March 1981

*Each one of us has a role in building our fraternity ...
This is how we all define the value
of our brotherhood.*

From the East:

Brethren,

As I prepare to depart the West and enter the East, I do so with gratitude for your trust and with a clear vision for the work before us. We have a big year ahead, one that will call for greater participation, thoughtful planning, and the collective wisdom of our Lodge.

In the coming days, we will be forming committees, discussing our finances, and charting the course for the future of our Lodge. These efforts cannot succeed without the active involvement of our members. I respectfully ask each of you to be present as often as possible, to lend your voice, your hands, and your light to the work we share.

Together, in unity and Brotherly Love, we will continue to build a strong and vibrant Lodge for generations to come.

W.∴ Andrew Davis

From the West

Brothers,

With the new year rang in and all of our resolutions made for 2026. It's time to settle in and get to work. It was great to see all the families in the lodge for installation and complete my final duties to the brothers and the lodge as the junior warden. I would like to thank my stewards and all the brothers who helped me get meals on the counter, on time last year. They were more help than they knew some nights.

I am ready to get to work as the senior warden. First order of business. Our outgoing Chaplin and Marshal need to be recognized for their service and contributions to the lodge. I know it's just a retirement thing and they will still be in the lodge but thanks Jack and Danny.

I also want to thank the members for the confidence in me. I will always put a 100% effort into this role, I have been elected to. My cable tow is always a bit tighter during the first quarter of the year. I look forward to a great year with unity and fellowship with my brothers in 2026.

Bro. Michael Roberson

From the South

Brothers,

I have some big shoes to fill in the South from last year. Going forward I have some ideas on keeping the food cost low and the meal quality high. I truly enjoy cooking and it will be a great honor to provide for my Brothers and this Lodge.

I am excited to start a new year of Masonry and continue to shape our Lodge to serve us and our community for the best.

Bro. Justin Love
