Brothers, we are almost half-way through the year. If you haven't paid your dues for 2026 please do so at your earliest convenience. Send a check in or pay online through the Amity app. We will be discussing some important business soon that will affect you and your lodge. Please make every effort to attend Stated Communications. Your opinion matters. If I can be of assistance to any Brother please let me know.

#### **From the East:**

Brethren, As we move into the late spring and early summer months, I hope this message finds each of you and your families well. May and June bring longer days, renewed energy, and excellent opportunities for fellowship, labor, and strengthening the bonds that unite us as Masons.

First and foremost, I want to thank each of you for your continued support and participation in the work of our Lodge. The momentum we are building together is evident, and your commitment ensures Amelia Lodge No. 47 continues to move in a positive direction.

Our recent **Fishing Charter Raffle** has proven to be a great start to our fundraising efforts. This initiative is more than just a raffle, it represents a meaningful step toward improving our Lodge facilities and ensuring we leave something better for those who come after us. I encourage each Brother to continue supporting this effort by purchasing tickets and helping spread the word within the community.

As we move forward, we will place a stronger emphasis on additional fundraising efforts throughout the year. To accomplish the improvements and long-term goals we have set for our Lodge, we must also raise additional capital. If any Brother is feeling generous and willing, I respectfully ask you to consider making a donation toward our facility enhancement efforts. Every contribution, regardless of size, will go directly toward improving and preserving our Lodge for future generations.

We are also preparing for our annual fireworks booth, which is shaping up to be a great event and a key part of our fundraising efforts. Volunteers will be essential to its success. If you are available to assist, please step forward. This is a great opportunity to support the Lodge while enjoying fellowship with your Brothers and engaging with the community.

#### **As we look ahead, our focus remains on:**

- Strengthening brotherly engagement
- Advancing our Lodge through thoughtful planning and financial responsibility
- Continuing to improve and preserve our Lodge facilities

#### **Upcoming Initiatives & Events**

- Continued fundraising efforts for facility improvements
- Fireworks booth (volunteers needed)
- Ongoing planning for Lodge enhancements and future projects
- Community outreach and engagement

More details will be shared as these efforts develop.

#### **Closing Thoughts**

Brethren, Masonry thrives when its members are engaged, present, and committed. Let us continue to build upon the strong foundation laid before us, always striving to improve ourselves, support one another, and uphold the principles of our great Fraternity.

Thank you for the trust you have placed in me to serve as your Worshipful Master. It is an honor I do not take lightly.

W.°. Andrew Davis

## From the West

Brothers,

We as a group need to make all who come knocking on our door feel welcome. We all need to remember this is the first step in their journey. I remember my first visit. It was very intimidating for me. For a person to humble themselves and come into our building and ask to join us should humble us too. We all like to stay safe, normal, and comfortable. For someone to walk through our doors they have abandoned all of these tenants. We can all ease their minds by making them feel welcome.

We will have an opportunity to help some to humble themselves to take the first step and come knock on our door during the shrimp festival. We are always being watched and judged by our actions.

Bro. Michael Roberson, Senior Warden

## From the South

Brethren of Amelia Lodge No. 47 —

This month, my focus has been on the "South" and ensuring our labor is balanced with proper refreshment and a well-ordered environment. I have taken steps to streamline our dining hall logistics and improve the flow of our fellowship hour, ensuring every brother feels at home and fed from the moment they arrive.

I also want to address my recent absences; while my military obligations have kept me away from a few meetings, my commitment to this Lodge remains steadfast. I am grateful for your support and look forward to joining you at the next stated meeting. I encourage everyone to attend our upcoming practices as we continue to refine our craft and strengthen our bonds.

Fraternally, Bro. Justin Love, Junior Warden
