### From the Secretary

Brethren, The 196 th Annual Grand Communication is in the history books. Amelia Lodge was well represented with seven of our Brothers attending. MW Taleb T. Atala was elected Grand Master for 2025 and MW Jeff Foster will be our new Grand Secretary. Most notable for Amelia Lodge is that our own Brother Coley Bagocius was appointed District Deputy Grand Master of the 8 th District. Congratulations, RW Coley. We're looking forward to a great year.If I can be of assistance to any Brother, please let me know.

- Fraternally, Jesse R. Tiner, Secretary

*He is a wise Brother who knows how to conclude a speech when he has said all that is pertinent to the subject.*

**From the East:**

Greetings Brothers!!

Your Lodge has a lot of activities going on, and if you stopped coming to the meetings because all that was happening was that the reading of the minutes, then you are missing out on time with your Brothers now.

Go to the Facebook page and look at the upcoming events in this newsletter. There are lots of opportunities for you to come and fellowship with your Brothers, doing activities and I can assure you that reading of the minutes is not a part of it.

We are getting set up to run the Fireworks Booth as a fundraiser. This will require a lot of help as it will take place over the period of 10 days. So again, if you have ever said we need to do fundraising, now is your chance to step up and help out. We have the potential to make \$4k plus on this, which will help our coffers greatly. This is taking place 6/27 through 7/5. Call me to get on the schedule 334-300-4499.

Our Lodge is being used quarterly by a Health Screening company for one day each quarter. After they used it the last time, they were happy with the facilities and more importantly the ease of parking for their patients. They have already reserved out the rest of the year and this is bringing much needed income to us. This requires us to have people onsite while they are there. So again, for those of you who said you can help, call me and we will get you into the rotation.

In addition to all of that, there are many things going on with Degree work, visiting other lodges and attending association meetings.

It is time to step up Brothers, you wanted more, we are now doing more. Come see us, call me, let's see where you fit into all of these activities.

- W.M. Steve Pribulick

### **From the West**

Brethren, I want to take a moment to extend a heartfelt thanks to each of you for everything you have contributed to your Lodge this year thus far. Your time, efforts, and dedication have been the foundation of our continued success, and I am truly grateful for the work you've done to uphold our values and traditions.

As we begin to turn our eyes towards the East and prepare for the next year ahead, we will be looking for Brothers, both new and seasoned, who are interested in becoming more involved and possibly filling a chair. Serving in the Lodge in this capacity is both a privilege and an opportunity for growth in our Masonic journey and I know I have enjoyed the ride so far.

If this is something you feel called to do, I encourage you to reach out to me directly. I would be happy to speak with you about the possibilities and what it entails. We are always stronger when we walk this path together and I look forward to serve alongside each of you! - Bro. Andrew Davis

---

### **From the South**

Brothers, It is hard to believe we are close to the halfway point in our year. Only 207 shopping days till Christmas on June 1. It seems like that's a long time in the future but it will be here before we know it. There has been some progress in getting our pool tables put together back together and the building pressure washed. The paint getting touched up will help with appearance of our building I want to thank everyone who has given their time to complete these little projects. We only get one chance to make a first impression. I do look forward to the fellowship we will enjoy around the pool tables.

I hope everyone had fun at the shrimp festival and got plenty to eat. It is great we had the foot traffic that stopped by our booth. We can only hope they will make good candidates and have a desire to join our brotherhood. We as a group need to make all whom come knocking on our door feel welcome.

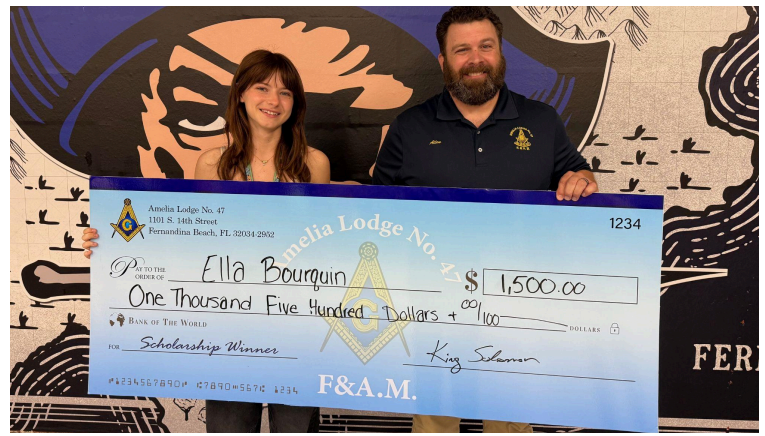

Summer vacations have begun and most kids are out of school for the summer. It is our responsibility as adults to watch out for their erratic actions while they are riding bicycles or scooters on the roads. Please put away your phones drive safely. It's really bothers me to see a child hit by a car on the news and it happens far too much. These are life changing events for the children and the families that are involved.

- Bro. Michael Roberson

### **2025 Amelia Lodge Officers**
