### From the Secretary:

Brothers, the year is moving along at a steady pace. Before you forget, please get your 2026 Lodge dues paid. It really helps the Secretary out when you pay your dues in a timely manner. The Worshipful Master has some exciting fund raising programs coming up this year to help with lodge finances including some raffles that are planned. We will begin remodeling the kitchen sometime this year. The last remodel was in 1995 so we got our money's worth out of that one. I hope to see you in Lodge soon. Your thoughts and ideas are much needed guiding Amelia Lodge into the future. We will also be updating Lodge records so be looking for a questionnaire in your mailbox soon. If I can be of assistance to any Brother please let me know.

- Jesse R. Tiner, Secretary

**From the East:**

My Brothers,

As we move through March and into April, I want to take a moment to reflect on the strong start we have had to this Masonic year. We have officially kicked off the year with purpose and momentum, and we are already beginning to see the fruits of that labor as we wrap up several important administrative and strategic initiatives.

I am pleased to report that we have satisfied the proper paperwork requirements with the Florida Department of Agriculture and Consumer Services (FDACS) and have solidified our official registration number for fundraising events. This was an important and necessary step to ensure we are operating fully compliant and above reproach. With this foundation now in place, we are positioned to move forward confidently with upcoming fundraising efforts.

These fundraising initiatives will play a key role in helping us address long-anticipated renovations and much-needed updates around the Lodge. Our building is more than brick and mortar, it is the physical representation of our labor, our legacy, and the generations of Brothers who have walked before us. It deserves our attention, our stewardship, and our investment.

In addition, we are preparing to launch an outreach campaign in the coming weeks. If you have not heard from a Brother of the Lodge in some time, be on the lookout. We are making a concerted effort to reconnect, strengthen communication, and ensure that every Brother knows he is valued and remembered.

To assist in this effort, if we do not currently have your updated phone number on file, please email it to the Webmaster or the Secretary at your earliest convenience so we may update our records. Accurate contact information is vital as we work to improve engagement and ensure no Brother is left in the quarries alone.

Brothers, the work before us is meaningful. Let us continue to labor together in harmony, each contributing his part, so that our Lodge may shine brighter in our community and among the Craft.

W.°. Andrew Davis

### **From the West**

Brothers,

It does not seem possible we have already made it to the end of February. We just got installed. We have come out swinging in our quest to get the home of the hammer trophy again in 2026. We had enough travelers during the January NEFMA meeting and brought it back home. Where it belongs. Spring is right around the corner.

As we all start having more outdoor activities whether planned events or if we are alone in the community we should all strive to be the better men we advertise. Always remembering we are constantly being evaluated by everyone who is not a mason. Our actions give a better sense of who we are as men rather than our words.

Bro. Michael Roberson, Senior Warden

### **From the South**

Brothers,

As Junior Warden, I am committed to ensuring our lodge remains warm, hospitable, and prepared. This month I coordinated refreshment and seating arrangements for our stated meeting, rearranged and cleaned up the kitchen. I also checked regalia and lodge inventory, addressed minor maintenance needs, and followed up with brethren who missed recent meetings. Please excuse my recent absences due to military duty; I remain honored to serve both my country and our lodge and will attend as my service schedule allows. I encourage all brothers to attend the upcoming stated meeting and degree practice so we may continue to strengthen our fellowship and work.

Bro. Justin Love, Junior Warden
