FROM THE EAST

My Brothers,

August brought us some great moments. We had College Football Night, and this looks to be an event we will continue in the future. We also had a successful pancake breakfast. It has been quite a while since Amelia Lodge has done one of these, and the response was good enough that we might start doing them quarterly.

September brings a Past Master Degree (something we have not done for a few years), and preparations for next month's Outdoor Fort Degree. Don't think that we are going to coast into 2022, we will continue to try to raise awareness and spread brotherly love where it needed. Come out and see what you're missing.

Fraternally yours,

W.: Allen Barcus

FROM THE WEST

Brethren,

This year is flying by and we are getting closer to bringing back the Ft. Clinch outdoor degree in October!

We also have the pleasure of sitting on the sidelines and watching our past masters put a degree on that I'm sure will be perfect!

Brothers if you have a chance next year to attend the lodge for the College football night meeting next year, it was very successful and fun! With the burgers, dogs, and wings as tailgate food and the smack talking about your favorite teams it made the night very enjoyable!

If you haven't made to your lodge in awhile come on out! We are doing a few things to mix it up a little but conducting business as usual.

Fraternally,

Todd Love
Senior Warden

FROM THE SOUTH

Brethren all,

At this point in the year, I think it is important to reflect on the accomplishments of our labors. What were our goals at the beginning of 2021, have we achieved them, and how. With a changing of the guards right around the corner, I would like the success of 2021 to smoothly transition into the coming years. With proper planning from our officers as well as assistance from our ever supportive past masters, Amelia Lodge has a very bright future.

Fraternally and gratefully,

Eric Moriarity, Junior Warden
