

When confronted with a mental health crisis, many individuals may not know where to turn

Why Choose Us?

Access Behavioral Health Urgent Care (a subsidiary of Rawles & Associates, PLC), whose mission is:

To initiate and achieve from a trauma-informed, social justice perspective on an individual and community level, healing, and empowerment among vulnerable populations, locally, nationally, and abroad.

The clinic treats both adults and children in urgent need of care for mental health crises.

This service provides immediate access to behavioral health care without the often long and costly wait for Emergency Room care to address non-emergent issues.
