*Beef Brisket 차돌박이

Lower part of the cow's front chest rib.
Beef brisket is a popular part because it is served thinly sliced

*Seasoned Galbi 양념 왕꽃갈비

Marinated in our signature sauce for 48 hours, which is based on soy sauce and adding various ingredients such as fruits to maximize the flavor

*Short Rib 갈비살

Selectively chosen from the part of the rib served into bite size

*Seasoned Short Rib 양념갈비살

Selectively chosen from the part of the rib marinated in our signature sauce served into bite size

*Beef Bulgogi 소불고기

Traditional Korean meat which is made from marinated beef sirloin and vegetables

*Seasoned Cube Steak 주물럭

The meat has a cube shape. The seasoning of the meat is not thick(or strong)
Nevertheless, you can feel the similar savory and tenderness found in Galbi

PORK

*Seared Pork Belly 칼집 삼겹살

The rib of a pig (it is like bacon). The savory taste of pork belly is fascinating

*Spicy Pork Belly 고추장 삼겹살

Meat that is grilled after applying a thin layer of red pepper paste sauce on the pork belly

*Pork Neck 생목살

Good for the body because it contains many proteins. It is located on the neck of a pig.
Less oily than pork belly and has a cleaner taste.

*Seasoned Pork Neck 돼지 양념구이

Marinating the pork shoulder more than two days on the Kang's Kitchen's signature sauce which maximizes the flavor and tenderness

CHICKEN

*Teriyaki Chicken 데리아끼 치킨

*Spicy Chicken 매운 치킨
