Bike the Volcano - #1 Ranked Haleakala Maui Bike Tour on TripAdvisor since 2010

This is a must do! Dress very warmly! Think New England winter!

You can book this optional tour directly at <https://www.viator.com/tours/Maui/Classic-Haleakala-Downhill-Bike-Tour-by-Maui-Easy-Riders/d671-45770P2?pid=P00006171&uid=U00084882&mcid=58086>

Itinerary

This is easy, you can do it! This is a guided downhill bike tour along the slopes of Haleakala, it is entirely on paved roadways. Our 25 mile ride has less than 1 mile of peddling, it is safe and FUN! The company owner, Billy, personally guides almost every single tour. Starting just outside of Haleakala National Park you will ride through the an expansive open cattle ranch with bi-coastal views of Maui, through the quaint towns of Kula, Makawao and end at the beach in Paia. There is a chase van that blocks cars so you are able to ride in the middle of your lane, you will not be required to ride in the shoulder, and cars will never come up behind you when you are on the road. We stop along the way to take pictures, talk about the history of the area, pet horses, snack on local food, and laugh. Although this is a group activity you will be able to ride at the pace you are comfortable with. You will ride on a custom built cruiser bike from 6,600 feet of elevation all the way down to sea level. You are welcome to bring personal belongings and leave them in the chase van for the duration of the tour. We provide you with everything you could possibly need to safely complete this tour.

World War II Valor in the Pacific

Spend your afternoon at Pearl Harbor

The United States naval base at Pearl Harbor was surprised by a Japanese military strike on the morning of December 7, 1941: all eight U.S. Navy battleships were damaged, more than 2,000 Americans lost their lives, and this very attack led to the American involvement in World War II. Today, a memorial reminds of those who died in the assault, while two museums and outdoor exhibits present the historical happenings and their backgrounds. The visitor centre in general also features exhibits and interpretive programs for other Pacific National Parks: Kalaupapa National Historical Park on the island of Molokai, American Memorial Park in Saipan, and War in the Pacific National Historical Park in Guam.
