Check your **My Disney Experience** app for park hours, dining reservations, and your Fast Pass selections.

The Magic Kingdom is where magic happens. One of four theme parks in the Walt Disney World family, this park is home to the Cinderella Castle. Designed like a giant wheel, the paths of the spokes lead to the seven different themed areas: Main Street USA, Tomorrowland, Mickey's Toontown Fair, Fantasyland, Liberty Square, Frontierland, and Adventureland. See your favorite Disney characters, attractions, and behind-the-scenes tours.
