Your Itinerary

Day 1

Adventure on the Island Adventure on the Island

Now it's time for some adventure! Grab a Jeep at a rental company close to your accommodations. Then head out to Oak Bluffs to see [Island Alpaca](#). You may be fortunate enough to have your trip coincide with Alpaca Yoga.

Stop for lunch at [The Food Truck](#) in Edgartown, and experience this hidden gem off the beaten path.

Your next stop is out west to set your eyes on the spectacular views from the [Aquinnah Cliffs](#) and Gay Head Light. Make sure to pass through the local shops while you're here.

Looking for more time on the beach? Head on over to [Menemsha Beach](#). Grab dinner at one of the fish markets right along the beach and watch the sunset.

For a farm to table dinner, head on over to [The Beach Plum Inn](#). Just remember to make reservations and bring your own beverages.
