2023-2024

Welcome to Our Club

Dear Parents and Players.

Ridgefield FC welcomes you to our club. We hope the next few weeks are enjoyable for your child and you. Our goal is to provide a safe environment for your children and you to learn, enjoy and use the skills necessary to play competitive soccer. Please read and adhere to the following to ensure that the registration process and each season runs smoothly.

New Yearly Registration

Fall & Spring Season Mandatory Registration

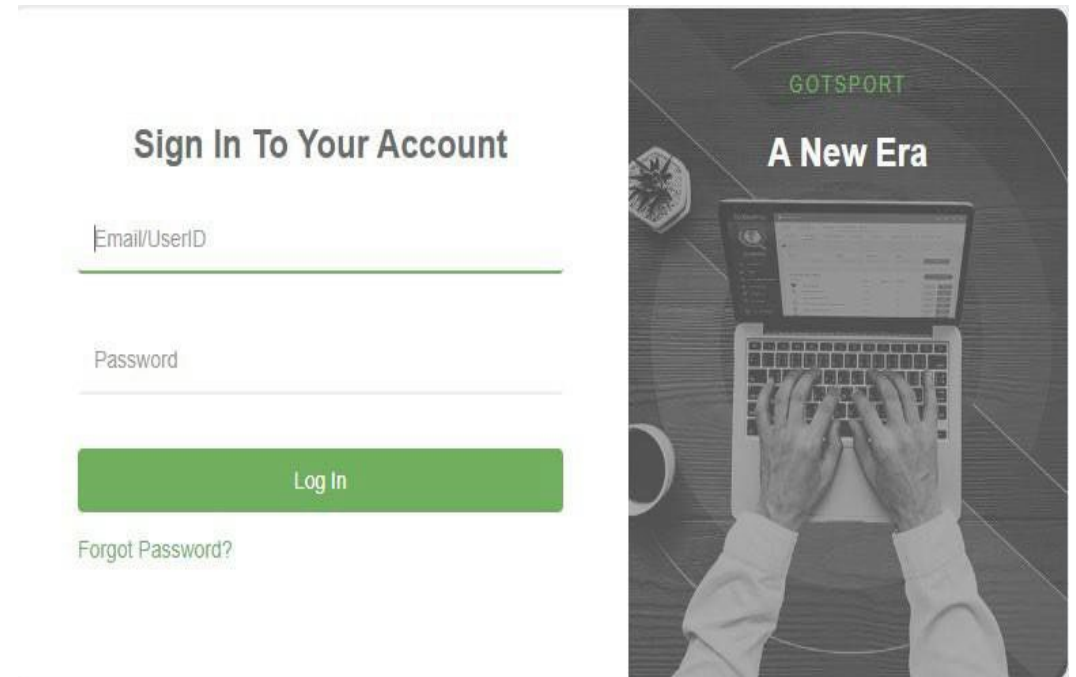

- Please note that the club has implemented for all current and new fall club players, a mandatory fall and spring registration (WINTER NOT INCLUDED).
- Many of the leagues we play on use GotSport for all related registrations and per their requirements; every player needs to register through it, no exceptions will be allowed, this would be handy if a tournament is to be played. We are no longer able to add unregistered players to rosters everyone must be registered through GotSport.

GotSport Registration

- Registration Fees are specific to each age group, payment can be made in full or spread out in three Payments If you have special circumstances, please see Coach Juan.
- **Registration Schedule is as follow:**
 - 1st Payment Due at Registration.
 - 2nd Payment Due September 1, 2023.
 - 3rd Payment Due October 1, 2023.
 - 4th Payment Due November 1, 2023.
- Please use the link provided in the email to register, please use the same user ID you used with the previous registration. When you use a different one, it creates a duplicate profile, and it can cause registration issues. If you are a new player and don't have logging info, please create an account before you can proceed.

GotSport Registration

- Please double-check all fields, make sure all information is completed and make sure that nothing is missing.
- If you don't see a picture on your child's profile you must upload one,
- If there are other requirements missing, we will reach out to you.
- If you decide to accept the spot, please pay the \$100 to reserve your spot as soon as possible and complete the registration.
- Fall season starts in September 2023, Spring season starts mid to end of March 2024.
- Practice Schedules will be posted on TeamSnap, please make sure you still have access to the app since some players might have been removed. For new Players, please make sure to follow the link for TeamSnap on the confirmation email you'll receive after completing your registration.
