Practices and Games

Teams will practice once a week and play one game per week. We are working on securing additional practice sessions and will notify everyone if more become available.

Practice Schedule at SOFIVE Meadowlands:

Given the difficulty to schedule fields due to the availability of fields as well as the Pricing, the below are the spots we have available, no teams have been assigned as we need to do it based on the number of registrations.

- Saturdays one-hour practices either 3:00PM to 4:00PM or 4:00PM to 5:00PM.

Teams to be determined.

- Tuesday: 5:00 PM - 6:00 PM (End of November & December)

January practice time will change to 4:00 PM - 5:00 PM, teams practicing TBD.

Please note that this schedule is subject to change. We may also have possible Saturday morning practices for our older players. If a school gym in town or out of town becomes available, we will update you through TeamSnap.
