Welcome Back

- We are excited to start a new program with our older players, and to give everyone the opportunity to play at a higher level and get exposure to college and professional team scouts.
- We will be creating new teams for our players born 2008-2007 and 2006, everyone will be invited to take part in tryouts we will try to keep teams as we did last spring.
- We want to give the opportunity to everyone, but we will make some cuts, as the idea is to have a highly competitive team.
- We will play within NCSA and EDP leagues. Both leagues and tournaments, concentrating in Showcase tournaments.
