- **October** Enjoy the seasonal changes & fabulous colors, warm days and cool nights.
- **November** Spend Thanksgiving, 11/25 at the lake. Barbeque your turkey Enjoy a campfire.
- **December** Seasons Greetings from all of us at Cedar Creek Cove Resort.

HAPPY 2021!

2020 at a Glance:

WOW! What a year, one we won't soon forget. We hope this letter finds everyone healthy & safe. We are all ready for 2021. The COVID19 virus took quite a toll on our spring business. We were forced to cancel the tournament and reservations until mid May. During that time, the rain came down fast and hard, bringing up Bull Shoals to 35 feet above pool level. When guests were able to come down, the lake level made it difficult to launch boats. Thank goodness everyone took it in stride. If you love this lake, you know it can be challenging but worth it. Some improvements were made around the resort. All the cabins have new shiny red metal roofs and cabin #1 has a new deck. New decks are on the schedule for cabins # 2 & 3. The game room now has a regulation ping pong table. The office was an updated look with new clothing and merchandise displays, blinds and fresh paint.

FAMILY NEWS

The pandemic changed our family plans for the summer. Ed and his family were not able to travel at all. The Navy had Ed under some tough restrictions. It's been more than a year and a half since we have been able to see them. Matt & Kim were transferred to California in March just at the start of the state closing down. They were starting to feel a little claustrophobic around June. Kim called and asked about come down for a few weeks. They transformed cabin two into their home away from home. They arrived on June 28th and the few weeks turned into 4 months! It was great having them here and Ron put them to work almost immediately. Matt was on the tractor and became an expert at moving the dock, helping guests launch their boats and our best PR person. Kim and Matt remodeled the office and our kitchen, made improvements to the landscape and was a huge help with all the daily chores around the resort, all the while working at their jobs from home. Gracee got the much needed outdoor space and lots of good times with her cousins, Jenna & Jax. We were able to celebrate several birthdays to-

gether, 4th of July and Halloween. Every evening was a party after the work of the day. Tons of good food, dock time and boat rides.

Jill, Emmett and the kids moved into whatever cabin was available and it was a wonderful summer and fall. The only down side was not having Ed, Jess, Haley and Emily here with us.

Jill and Emmett were limited to the area and were required to mask up at their jobs. They were here to help as usual with cabin cleaning, garbage detail, road grading, dock moving and repairs and wood splitting. On a sad note, Ron's Mom, Genevieve, passed away peacefully on 12/17 at 101 years old. We were with her at the time and she is with Ron's dad and sister now.

We want to thank everyone for being so understanding about the restrictions the virus put on us. Everyone was great about cancellations, deposit issues, social distancing and keeping everyone safe.

Cheers to a New Year and better times ahead!

Ron & Gail
