417-273-4927
417-712-3213

on beautiful Bull Shoals Lake.....Arkansas

Dates to Remember

- **January** Make & confirm your reservation at Cedar Creek Cove.
- **February** Get fishing gear, skis wakeboards, etc. cleaned & ready for the season.
- **March** White Bass are running. Don't delay - Clean & service boat, motor & batteries. Day-light savings time 3/10 First day of Spring 3/19.
- **April** Enjoy the red bud and dogwood trees in full bloom.
- **May** Bring Mom down for Mother's Day, 5/12, Memorial Day, 5/27, the first big week-end of the summer
- **June** What better way to spend Fathers Day, 6/16 then on the lake. The bass are in the coves, and the water is warm enough for that long awaited swim.
- **July** Enjoy the 4th of July celebration on Bull Shoals ...
- **August** Get one last trip to the lake before school starts. Keep and eye out for Back to school deals.
- **September** Labor Day, 9/2 the big summer finale.
- **October** Enjoy the seasonal changes & fabulous colors, warm days and cool nights.
- **November** Spend Thanksgiving, 11/28 at the lake. Barbeque your turkey Enjoy a campfire.
- **December** Seasons Greetings from all of us at Cedar Creek Cove Resort.

HAPPY 2024!

2023 Highlights:

Lake levels remained steady all year, thanks to the new guy in charge at the Corp. Launching boats was less of a challenge and the dock wasn't in our backyard. We found quite an array of lost items once the lake came down. Sunglasses, a pacifier, several beer cans, coffee mugs, a watch that was still ticking, beach towels, folding chairs, Grace's pile of rocks and a cell phone. Fishing was good spring through fall and everyone was able to tag a deer with a few good sized bucks. One ten point buck was bagged by the youngest member of our long time guests, the Edmundson family. The Bantz & King Families celebrated 20 years coming to Bull Shoals. They presented Gail with a tee shirt commemorating the

anniversary which made her more than a little teary eyed. Late in the season, cabins

4 & 5 got a new more spacious deck complete with tables and umbrellas.

FAMILY NEWS

Ron & Gail did some traveling to see their out of state children and grandchildren. Ed & Jess' oldest daughter, Haley, graduated high school in May. It was wonderful seeing our first granddaughter graduate and the party was tons of fun. Emily is sweet as ever and making plans for her graduation. Ed turned in his retirement date from the Navy, May 2025. 26 years serving our country.

We spent Christmas and New Years' at Kim and Matt's in California. The celebrations were so much fun. Grace is growing like a weed and a cutie pie. We went on a wine tour, The Rose Bowl Parade and Catalina Island. We stayed at Mt. Ada in the Wrigley Mansion! So cool! Kim started her own business, Kimberlee Misk & Associates. Business is going very well with a project in Miami for Apple.

Jill will have her degree in Education this year. She loves teaching math and her students. While still doing the bookkeeping and Board Secretary duties. Jax and Jenna are doing great and enjoying school. Emmett went through a difficult summer after

major heart surgery. It was pretty tense for a while but everything is looking good now. The family came through big time. Kim stayed with Jill during the surgery and Jessica drove from South Carolina to help with the resort. We did get some lake time in and a few beers.

NEW FOR 2024

Every bedroom in every cabin will have individually controlled A/C units. A new larger deck on 6 & 7 by the time summer ramps up and a new sign at the entrance. Our address has changed from Theodosia, MO to Cedar Creek Township, AR.. same zip code. We are at the same location and will still receive mail addressed to Theodosia. Makes for some confusion but we are still here! Thank you again for making our job more enjoyable with your support and appreciation for our efforts.

All the Best in the New Year,

Ron & Gail
