What IS included in your charter: your charter will include all the gear, bait, fuel, and ice necessary to supply your day of fishing. Clients are more than welcome to bring their own gear if they'd like, but must notify the Captain prior to trip. Clients should leave coolers for their catch in their vehicles. Typically we are able to supply ice following our return.

What is NOT included: Beverages and food are not supplied. We always have a case of water on board, however this is typically reserved for emergency use. If bringing sandwiches, we suggest you place them in ziplock bags to ensure dryness.

Sea sickness: Sea sickness can occur to anyone, we suggest that anyone who has even the slightest concern about being seasick takes an over the counter motion sickness medicine prior to departure. It's cheap insurance to make sure you have the most enjoyable day on the water. In the event that you become sick. The Captain reserves the right to shorten or cancel with no refund.

Alcohol/Drugs: Beer is permitted on the trip within limited quantities. No liquor, please. Beer MUST be cans, NO bottles are permitted per Coast Guard regulations. Please limit your alcohol consumption. We believe 100% in being safe and responsible on the water. Your Captain and mate will never have so much as a drop of alcohol on your trip. Absolutely NO DRUGS of ANY sort! The last thing I want is to cut the trip short and call the Coast Guard for them to meet you at the dock. Any trips cut short from alcohol or drugs will not be issued a refund. Drunkenness will not be tolerated and will bring an early end to your day. No firearms or illegal drugs allowed on board.

Cancellation Policy: Cancellations can be made, with no penalty, up to 15 days prior to the scheduled day of your trip. Your deposit money will be refunded or placed toward a rescheduled trip, whichever you request. Cancellations made between 14 and 8 days of scheduled trip will be subject to 50% forfeit of deposit if trip is not rescheduled to another date. Cancellations made within 7 days of the scheduled trip will result in a 100% forfeit of deposit. No shows on the scheduled charter date will result in 100% forfeit of deposit. Inclement weather cancellations will be determined by the Captain only. Only the Captain reserves the right to cancel the charter with a full refund or reschedule.

Weather and Seas: The Captain is constantly following current weather/sea conditions and future forecasting. If the Captain deems seas not conducive to safe fishing conditions, the Captain may cancel the trip. If the Captain cancels the trip, you will be issued a refund of your deposit or credit toward a future booking, whichever you prefer. In many instances we will contact our client prior to a trip to bring you up to speed on conditions. If the client opts to cancel due to seas that may prove uncomfortable, your deposit can be applied to a future trip, not refunded. **RAIN is NOT a reason for cancellation.**

Tackle, gear, and equipment: thousands of dollars in top of the line equipment is invested to make your experience productive and enjoyable. We ask that you take care in handling our gear. The Captain and crew will be there to help keep things problem free and educate you in proper handling. In the event that a passenger proves negligent in the handling of gear and breaks/loses something you agree to pay the replacement cost of such gear. It would be a rare occurrence but a couple examples would be dropping something overboard or throwing something on the deck or stepping on it, causing breakage. Anyone carelessly damaging the vessels or its equipment will be charged for the repairs and replacement. Anglers should dress comfortably and appropriately as the season dictates. Usually the mornings start off cool and the day gets warmer from thereon. Dress in layers. Please no black heeled shoes. Please use non marking shoes.

Mate/Tips: Your mate is working for your tip. He/she will be working hard throughout the day, it is "fishing ". Some days are better than others regarding our catch. Please base your tip on the

work that the mate put in to catch fish as some days we'll limit out and some days we won't. 20% of the trip cost is customary for tipping.
