

Homeschool or E-School: Two Different Options

0= Not true 1= Slightly True 2=Moderately True3=Very True

E-Schooling

1. _____ Daily accountability from the State (logging hours) is helpful to me.
2. _____ I want a state teacher to teach. I am comfortable with the role of learning coach.
3. _____ I am not concerned with the Common Core Standards.
4. _____ I want/need to use free curriculum that is approved by the state.
5. _____ I am comfortable with my child being taught/graded by someone long distance.
6. _____ My child responds well to working several hours on the computer.
7. _____ I agree with the testing emphasis and think it is a valuable tool for measuring learning. Testing options are not important to me.
8. _____ My child is comfortable with many days of testing and does well with that type of assessment.

_____ **TOTAL SCORE FOR the e-school option**

Homeschooling

1. _____ Academic freedom from the State rules/regulations is important to our family.
2. _____ Education should be individualized to consider interests and talents. No busy work!
3. _____ Common Core is a concern for me.
4. _____ I am willing to research for affordable/free curriculum OR budget is not a concern.
5. _____ I know my child best and can find recourses if necessary to teach to her level.
6. _____ My child does not prefer to work through the computer for long periods of time.
7. _____ I question the validity/importance state mandated testing.
8. _____ I want the option of portfolio review or parent chosen standardized testing to evaluate my child's progress.
