ABOUT BUZZ MUSIC & ARTS CIC

At Buzz Music and Arts CIC, we unlock the magic of the performing arts to inspire, empower, and bring communities together. Through vibrant music education and engaging artistic experiences, we help people of all ages—especially children and young people—discover creativity, connection, and personal growth. As experienced educators and musicians, our work with schools is at the heart of everything we do.

We are a Community Interest Company (CIC) which means our organisation benefits the people we work with, rather than private shareholders. As a CIC, our focus is on making a positive impact by reinvesting profits into our music and arts activities, ensuring that the work we do creates lasting value for everyone who engages with it.
