RUDE RANGERS UNITE

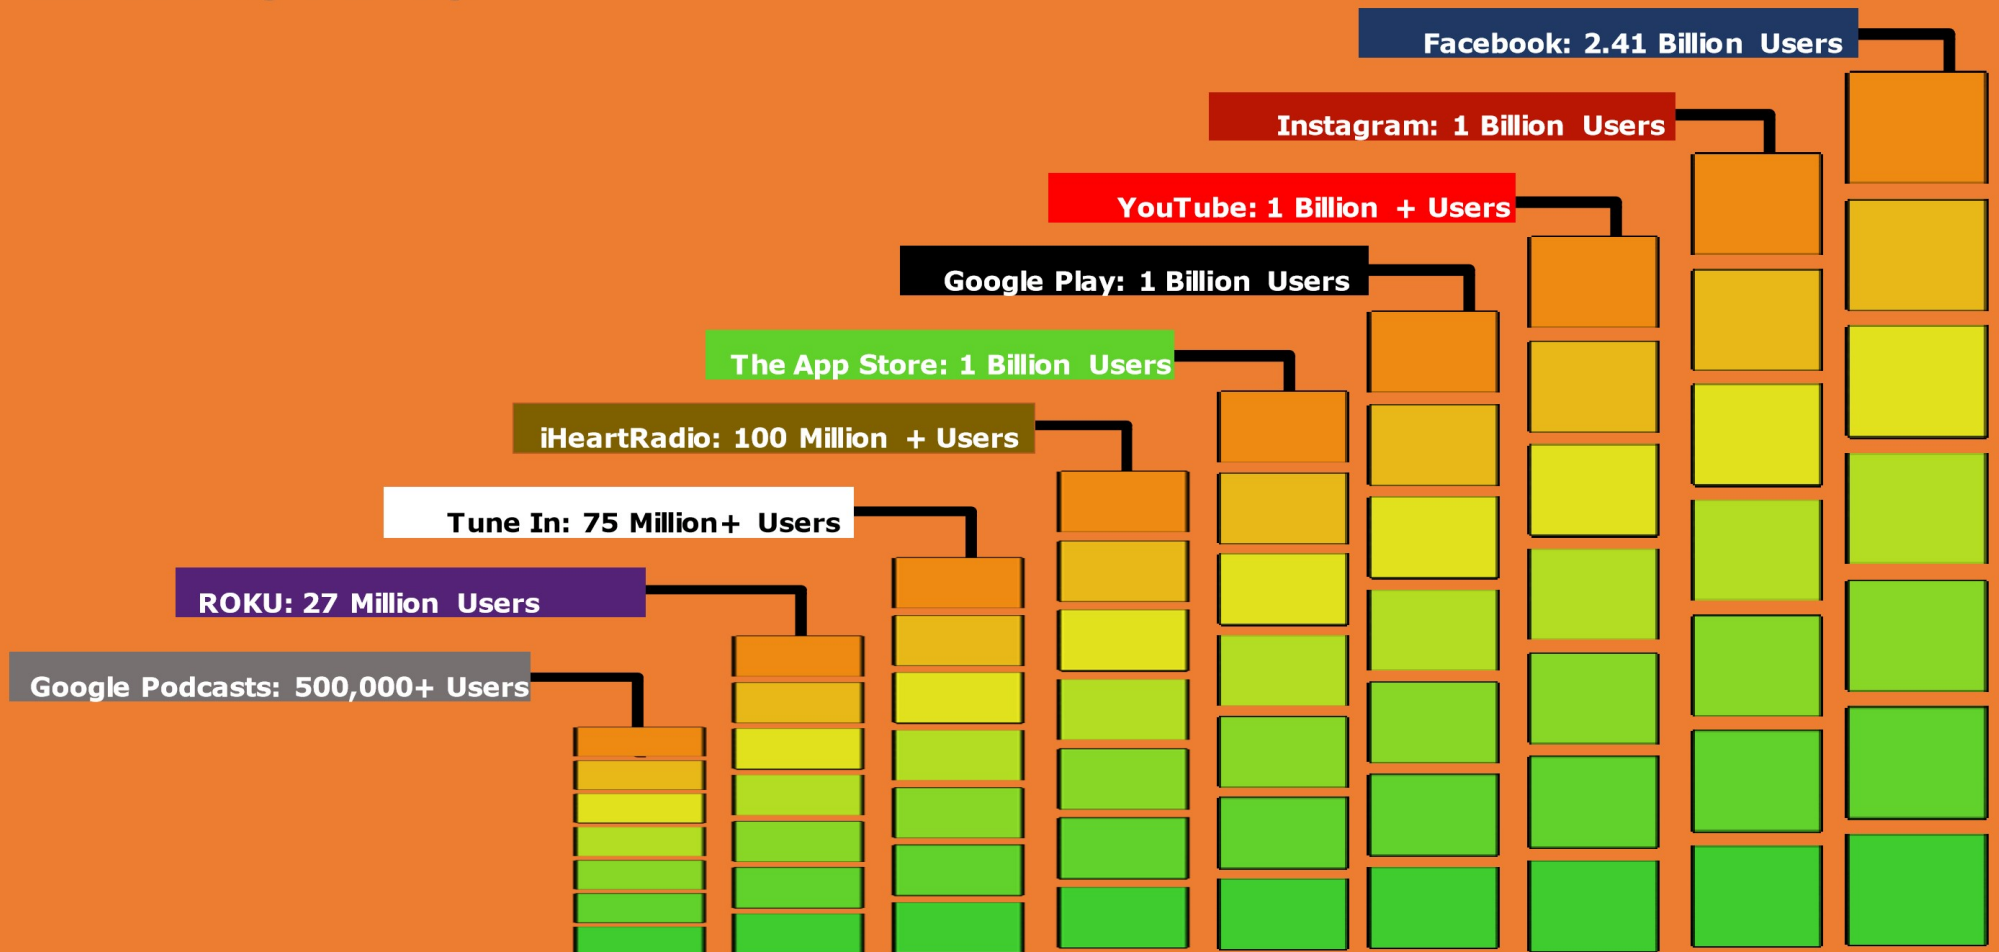

About Rude Rangers Entertainment, LLC

Rude Rangers Entertainment, LLC and the Rude Rangers Unite brand began in the basement of a New York State community college radio station and quickly evolved into a popular Facebook live weekly video stream on Strong Island Entertainment. It's success at Strong Island led to its acquisition by two national cable TV networks (*YouToo America* and *STGN-49*) as well as DirecTV and Amazon Prime Video. The brand has also grown to include an internet radio channel (Rudy Radio), apparel and lifestyle brand (*Ruderangersshop.com*), special events division, boutique public relations firm, travel club and TV network. The company's tagline is "Work...Play...Slay!"
