January 18, 2020

The meeting was called to order by President, Duane Olson. He welcomed the members, old and new.

Duane introduced the members of the Board of Directors/ officers.

Treasurer's report was made by Treasurer, Susie Ecklund. Ron Ecklund presented an annual report of income and expenditures. Motion made, seconded and passed to accept the report

Secretary's report was made by Sandy Hug. She read the minutes of last years' annual meeting and also the notes from a meeting the Board of Directors had recently with GIS management. The minutes were approved as read.

OLD BUSINESS

Duane reminded mobile owners that all changes to the outside of the trailer must be approved, in writing, by the office.

If an owner is having difficulty complying with some part of the park standards, they need to meet with Rod to develop their plan on how they can correct the issue.

NEW BUSINESS

Activity chair, Robin Dickinson announced the activities that are currently outlined for the up -coming year.

Feb 22.....a chili cook off

March TBA.....a 50's burger and hot dog party with a DJ

April 25.....a progressive dinner around the park

May 16.....a pancake breakfast. Location TBA

December.....Christmas dinner and party. TBA

Election of Board members

Duane introduced the four members who's terms are expiring;

Duane Olson, Johnny Faerber, Robin Dickinson and Sierra Miller.

He called upon volunteer candidates from the membership. As there were no volunteers and all four outgoing members would accept a new term, a unanimous ballot was passed. These members will serve until 2022.

Request was put out for new web-master to re-establish a web site for LTOA.

Duane offered a special thank you to our newsletter editor, Suie Ecklund for her timely notifications of activities. She has handled the Facebook page, the newsletter and “flash” notices. Great help in smooth communication.

With no further business, the meeting was adjourned and a Mexican themed luncheon was served.

Respectfully submitted,

s

Sandy Hug, secretary
