

scanningpens

15%-20%
of the **population,**
has a language based
learning disability

This portable lightweight pen overcomes the barrier of not being able to read by converting text to speech. The pen is easy to use and will help you gain confidence and independence.

By converting text to speech, the scan pen can be used to assist people with reading and speech difficulties including Dyslexia, Stroke and neurological conditions.

Features

- Built in speaker and headphone jack
- Voice recorder and data storage
- Built in Dictionary
- Supports multiple languages
