

EcoFlow

We have the Power solution for your home to assist you with your needs.

East West Food and Resources Pty Ltd in concert with Health & Business Consultancy brings you sustainable solutions for Uninterrupted Power Supply (UPS) for the homes assisting people with Disabilities.

With Power Grid instabilities and also direct dependency on Energy for wheelchair, powered beds, access into the homes as well as general living and survival requirements – we have the power solution for your home to assist you with your needs.

Benefits of the Ecoflow Lithium-Ion Battery Generator

- **NO FUEL, NO FUMES, MINIMAL NOISE**
No gasoline, toxic fumes, and quiet operation. The EcoFlow Power Station is safe to use indoors.
- **NO MAINTENANCE**
Easy to use, keep it plugged into a wall outlet or solar panel.
- **NO LOST POWER**
Power can be stored and consumed as needed, maximizing efficiency.
- **LOW COST**
Costs 30% less than regular gasoline-powered inverter generators over its lifetime.
