## The Tradition Continues!!

This will be our first newsletter from Herbs & More! We hope there will be many more to come.

We are the NEW co-owners of Herbs & More. It is our hope to continue the tradition of providing quality products to our customers with the hopes those products will improve the lives and health of their families.

We purchased this business because we felt that locally owned businesses are the future of Lincoln, our community and home. Our goal is to continue to serve the loyal customers that have supported Herbs & More and benefited from shopping at Herbs & More for the last 19 years and grow the product offerings and services to make your shopping experience even more pleasurable in the future.

**Please feel free to make any suggestions on products, product lines and services that we might offer in the future to better serve YOU our valuable customers!**

We encourage you to stop in and introduce yourself and meet us.

We are hoping that this transition of ownership only makes you very curious as to what the future will hold so that you might take part in how the changes will affect your shopping experience at Herbs & More!

Our Herbs & More Club offering will also continue.
