

"SHINGLE LANE"

AN HISTORIC NEW ENTRY WAY INTO SAINT MARK'S CHURCH

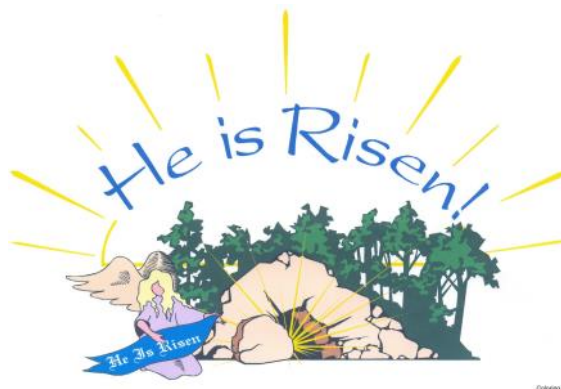

As many of you already know, Saint Mark's congregation is going to have a new safer entry/exit way to the church building and cemetery. The Vestry and Fr. Guiser have been working through the last year to relieve a very unsafe entry/exit way to Saint Mark's Church Building and Cemetery with the blind uphill curve entrance. The original entrance and exit ways were meant for horses and carriages. This changed with the invention of the automobile about 1900. Also, Honey Brook is beginning to see the construction of many more new homes as the area changes from rural to suburban. Hundreds of new homes will be built on Chestnut Tree Road in the coming years as well as a hundreds more along route 322. Saint Mark's is now in a position to grow both numerically and spiritually. Thanks to the good influence of Mother Asha, Saint Mark's received another grant from the Diocese of Pennsylvania's Board of Trustees for \$65,800 to help pay for the new entry/exit lane.

In the old baseball movie, "Field of Dreams," with Kevin Costner, the tag line for building a baseball field on an Iowa farm was "***If you build it, they will come.***" They built the baseball field because they had a premonition that the great baseball players of old would return and come to play on the new field, if they built it. I too have a premonition about our new entry/exit lane, "Shingle Lane." I believe that if we build a safe entry/exit to Saint Mark's Church, new souls seeking a loving community will appear. In fact, it is already happening, every month we receive visitors at mass on Sunday. New families with children are looking for a community of faith where they can experience worshipping a transcendent God, experience breaking bread in community, and share their troubles without judgement. These are basic needs of any healthy person, and we have the place to provide it.

If we build a new safe entry into Saint Mark's things will change and we will have growing pains. But, as any mother will tell you, the labor pain is worth the birth of a child. I look forward to laboring with you this year to give birth to something new at Saint Mark's. I look forward to driving safely into Saint Mark's Church on "Shingle Lane" (named in honor of Bob Shingle) with you to welcome the many new souls who are sure to come. Remember, "***If you build it, they will come.***" We look for construction in late summer or early fall.

Many thanks go to Vestry members, Joe Orlando, project coordinator and Julie Combs, Vestry Warden for all their excellent work to prepare us for the construction. See them on Sunday for a walking guide to the new entry/exit.

Healthing Corner

The righteous cry and the Lord heareth and delivereth them out of all their troubles.
The Lord is nigh unto them that are of a broken heart:
and saveth such as be of a contrite spirit.
Many are the afflictions of the righteous; but the Lord delivereth them out of them all.
He keepeth all his bones; not one of them is broken. Psalm 34:17-20

OUR GREATEST GIFT

Has anyone ever hurt you so badly you thought you would never get over it? Maybe it was a family member, a friend, an employee where your work or a classmate. Noq think how deeply addended ourLord must have felt when His faithful disciples suddenly denied Him. But, He forgave them! Do you recall when Peter came to Jesus and ashed, “Kord, how often shall my brother sin against me, and I forgive him?” esus replied, “seventy times seven.” (Matthew 18:21)

Do you need to forgive someone? If that person died tomorrow, how would you feel? The culmination of Lent is an upifting and joyous occasion. If you were able to have attended Ash Wednesday, Stations of the Cross, Maundy Thursday and Good Friday services, you could not hep but feel the anticipation of Easter Sunday.

On Easter stand tall and sing with gusto, like Toni and our choir, the bellowed hymns “He Is Risen”, “He Lives”, “How Great Thou Art” and “Christ the Lord is Risen Today.” It will leave you with such an awesome appreciation.

Always remember, Christ died for our sins; past, present and future. Has anyone you know ever been that selfless or sacrificed anything greater for us? All we have to do is believe! Ask for forgiveness of our sins with a sincere and humble heart. He will intercede on behalf of those who trust in Him.

Read your Bible! It is God’s instructional book o how we should live our ives. May our Lord bless you, keep you and make His face to shine upon you and be gracious unto you today and forevermore.

Have a Blessed and Glorious Easter

He IS Risen! He Is Risen Indeed!
