

#9 - Ayden Fernandez 27'/Reagan HS (LB)

“Fernandez can play the zone and off man, but he looks more comfortable playing press. Ayden is good at jamming the receivers he’s faced today and running with them downfield with some transitions. He stays disciplined and patient, which is good to see in a 27’ athlete. I also wanted to mention that Ayden is showcasing all these from the LB position. In regular season play, Ayden’s primary position is at the RB spot. This translates well for him. “

#1 - Cameron Pitts 26'/Steele HS (DB)

“Pitts showed to be very athletic this weekend playing both sides of the ball and making huge impactful plays. On the offensive side of the ball, Cameron’s routes were crisp and hands sure. When he lined up defensively, Pitts was aggressive but smart as he baited his opponent and quickly closed in to stop the play. His recruitment process will be exciting!”
