## Dine & Dazzle: A Kid-Appropriate

## Broadway-Style Revue!

We're putting together a fun, family-friendly Broadway-style revue for May 30<sup>th</sup>, and we'd love to showcase your talent.

Please bring the act you'd like to perform to our work session on **April 18<sup>th</sup>**. We'll be at the Center from Noon to 4:00 PM that day.

If you don't have an act yet, I'm happy to create one for you that fits your comfort level and strengths.

We'll also have a few ensemble numbers for anyone who wants to join in without preparing a solo piece.

**Rehearsals:** Rehearsals will take place between April 18<sup>th</sup> and May 30<sup>th</sup> on Tuesdays, "or" Thursdays, "or" Saturdays, depending on your conflicts and availability. I'll build the schedule around what works best for the group.

Let me know what you'd like to perform, or if you want me to put something together for you. It's going to be a joyful, low-stress, kid-appropriate celebration of musical theatre.

Kid's in the Kitchen will be learning to cook and prepare the food. This is a fundraising event for the Discovery Center and future programming.
