TRADITION

Glendora High School Alma Mater

Praise to thee Glendora,
loyal we will always be
'Neath our colors bright
Shining scarlet, black and white
We will fight to victory!

Hail our Alma Mater
Memories will ever be,
of the oak trees high
And your mountains standing by
Oh, hail Glendora, hail to thee!

Head Football Coach

On behalf of the Glendora Football Program, welcome to another night of Tartan Football! Our players have been hard at work preparing for this game. I love our players! They are selfless individuals who continue to amaze me on a daily basis! The coaches and players have worked extremely hard to build a strong culture built on relentless effort, a positive attitude, accountability, servant leadership, trust, and brotherhood. Our proud tradition of academics and athletics is exemplified by the men you see on the field tonight. They are men of high character and integrity, and strive to "Be The Best" at all they do on the football field, in the classroom, and in life.

I am extremely blessed to lead this group of men! I would like to thank the Tartan Family which includes our Superintendent Dominic DiGrazia, our Principal Rod Tilton, our Athletic Director Jerry Lewallen, our Athletic Trainer Kurt Dykstra, faculty, alumni, and student body. I also want to thank our Dog Pound for all the energy you bring to the game! Thanks to the Glendora Community for all your support! You always come through to support us! I also want to acknowledge the hard work and support of our Booster Club, led by President Nancy Pedraza. They have donated countless hours to make sure our players have the best experience possible. Thank you to Tartan Band, Pageantry, and Pep Squads for your dedication and hard work preparing for tonight's game. Enjoy the game tonight! Go Tartans! BE THE BEST!

FROM

Rod Tilton

Principal, Glendora High School

One of the most exciting things that comes with a new school year is the start of a new football season. There are few things that bring a community together quite like Friday Night Lights and a Tartan football game.

These nights are about so much more than what happens on the field. They bring together our student-athletes, students, Marching Band, Pageantry, Pep Club, Scottie Dogs, student section (also known as the Dog Pound) as well as our alumni, families, community members, boosters, fans, GUSD staff, and so many others.

GHS would like to thank all of you for your incredible support! It is a rare occasion when the Glendora stands have fewer fans than our opponents. Whether we are playing at home or on the road, Tartan Nation shows up and packs the house!

These are the nights when memories are made, memories our students will carry with them long after their high school years are over.

This season, Coach Lawrence begins his 15th year coaching at GHS and his second year at the helm of the Tartan football program. As a former GHS football coach myself, I know firsthand the tremendous amount of time, energy, and dedication that our coaching staff puts into this program. They make countless sacrifices to be here, not only to help our student-athletes become better football players, but more importantly, to help them become better people.

I want to extend a sincere thank you to our entire coaching staff and to their families for the time and support they give to our student-athletes and our program. Their commitment does not go unnoticed.

High school football games are about much more than what takes place on the field during the game. They are an event, that takes countless people working together to make each night special. From the players and coaches to the band, pageantry, student section, staff, families, volunteers, and fans, everyone plays a part.

So, Tartan Nation, get ready for another great season! Come out, enjoy the game, take part in the festivities, and most importantly, make some noise! Cheer loudly, encourage our student-athletes, and let them know that their community is behind them every step of the way.

Finally, a very special thank you goes to our Tartan Football Boosters for the countless hours of time, energy, and effort they dedicate to supporting our football program.

The Boosters, along with our families and community partners, play an enormous role in creating opportunities and experiences for our student-athletes. Their commitment helps provide the support, resources, and memorable experiences that make Tartan football so special.

We are incredibly grateful for everything you do for our players, coaches, and program.

IT'S A GREAT NIGHT TO BE A TARTAN!

Welcome to another exciting school year!

As we begin the 2026–27 school year, we want to extend our warmest welcome and best wishes to all of our students, families, fans, and supporters. We are looking forward to another outstanding year filled with school spirit, tradition, achievement, and opportunities for our students to grow and succeed.

A special good luck and best wishes goes out to all of our student-athletes competing in fall sports. We are proud of the dedication, hard work, teamwork, and school pride you bring to representing our school. Compete with class, support one another, and make the most of every opportunity.

We also want to recognize and wish the very best to our Band and Pageantry programs and the Tartan Pep Squad. Your energy, talent, commitment, and school spirit play such an important role in creating the atmosphere and traditions that make our school community special. We are excited to see you perform and represent our school throughout the year.

We want to express our sincere appreciation to the great families, citizens, local businesses, and boosters who continue to give so much of their time, resources, encouragement, and support to all of our programs. Your commitment makes a tremendous difference in the experiences and opportunities we are able to provide for our students.

Together, we are building something special—a community that supports its students, celebrates their accomplishments, and takes pride in everything they represent.

Here's to a fantastic 2026–27 school year!

Best wishes to all of our students, families, fans, and supporters.

Go Tartans!

Glendora High School Football Booster Club President

Welcome to another exciting season of Glendora High School Football!

It is truly an honor to serve as this year's GHS Football Boosters President. I'm incredibly excited for the season ahead and grateful to be part of a program built on tradition, hard work, family, and Tartan pride.

We are fortunate to have an outstanding head coach leading our program, along with an amazing coaching staff who dedicate countless hours to our athletes. Their impact goes far beyond the football field as they teach our young men the importance of teamwork, discipline, perseverance, and commitment.

Behind our players and coaches is an incredible group of parents, families, Booster Club members, volunteers, and supporters. So much of what makes this program special happens because people are willing to give their time, lend a hand, and come together for our kids. It truly takes a team behind the team.

As President, my hope is to continue the traditions that make GHS Football so special while also creating new memories for our players and families. I want this season to be one our athletes will look back on and remember—not only for the wins and Friday night lights, but for the friendships, laughter, team dinners, traditions, and moments they shared together.

To our players: Play hard, play for each other, and enjoy every moment. These years go by quickly, so take pride in wearing GHS across your chest and representing your school, your family, and your teammates.

To our coaches, parents, volunteers, and supporters—thank you for everything you do to make this program possible. I am proud to be part of this football family and look forward to everything this season will bring.

Here's to a season filled with Tartan pride, great football, unforgettable memories, and traditions that will carry on for years to come.

Go Tartans!

MARTY MERCURIO STUDENT-ATHLETE FOUNDATION

THE SCHOLARSHIP

The Mountain View boys and friends of Marty Mercurio have established a scholarship foundation in his name. Marty was an integral part of the 1969 Sierra League Championship Tartans and was an inspiration to us all before dying of cancer in 1975. Beginning in 1988, the years most inspirational senior football player has been chosen by the Glendora football coaches to receive a \$1,000 scholarship for books and tuition. Because of overwhelming support for the foundation, in 1991 the scholarship was increased to \$2,000.

DEAN KARNOSKI

STUDENT-ATHLETE SCHOLARSHIP

THE SCHOLARSHIP

We want to thank the GHS Football Boosters for honoring Dean's memory by giving a scholarship once a year to a senior football player who gives 110% on the field and reflects the values he has learned on the field in his life. We will never forget what this community did for our family during Dean's battle with Lou Gehrig's disease. This football program continues to exhibit the qualities Dean developed in many of his players when he coached here. Good luck Tartans! Coaches thanks for the commitment to our boys!

**Wishing you a fun and
successful football season!**

**— Jimmy & Maria Kypreos
and Family**

The background of the image is a dark, atmospheric photograph of a stadium. At the top, two bright stadium light fixtures are visible, casting a glow. Below them, a running track with white lane markings stretches into the distance, creating a strong sense of perspective. The overall color palette is dark, with deep blues and blacks, accented by the red of the text and the white of the track lines and lights.
