Creating BOBInomics Econ SEATS AT THE TABLE, goes all the way back to my 3rd Career. 1980-1985 where I was one LUCKY employee of 75 to sit in the conference room and sit at the table with the TOP BRASS of Fort Worth General Dynamics, F-16 Program Office.

With 3 years as the selected newbie ECP-CCP Change Manager at the age of 24 – 27. I got to hear everything in one hour to 90 minutes about the operations of the entire company each week. You see I prepared the report for each Friday for the 2nd in command for the F-16 Program Office for our Group ECP-CCP Change Manager overview report.

The most excitement in my young career came in April 1983 when a United States Army Colonel presented for 90 minutes to the 75, what we all know is the Internet today. For those that do not know - the internet launch was January 1st, 1983, and the US Army built the communications system platform.

Like then I follow the vision and participated in the vision for 5 years in my 4th New Career as VCCU – Video Computer

Concepts Unlimited (the U-Unlimited) was my creative version of the internet that change my life.

For those that become the BOBInomics Econ SEATS AT THE TABLE from 2025 - 2029 will be new visionary journeys and new self-economic transformation.

The concept involves creating a network of female branders and male boosters who promote various products and services through video informercials with VISUAL CENTER THEATER SHOWCASE MESSAGE while basic information and weblink - email - phone number provides their 2024-2029 - 24/7/365 workforce BOBI - BEST of BEST INFLUENCER operations.

SEATS AT THE TABLE Categories can upgrade and create and share video informercials in the VIDEO CENTER OPERATIONS.

The NEW VISIONARY Showcase of 47 Workforce Categories of various products and services such as for CATEGORY 27.

Mr. BOBIRoyals is preparing to Showcase MARCH WNDS - Friday Nights BOBINomics ECON with GoDaddy PLATFORM Campaigns March 1st, 2024.

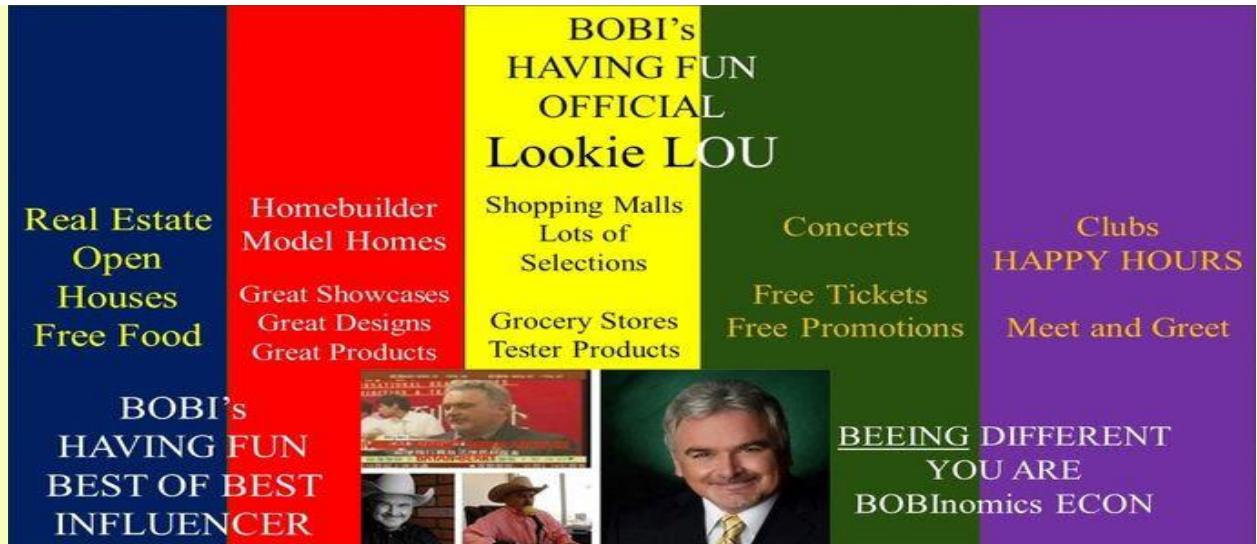

Best to tell you a FUN Story. Back in October 1978 I landed a 2 plus year career with Fox and Jacobs in Houston and Fort Worth Texas. Being a New Homes Salesman, promoted to Neighbor Manager and hired in Fort Worth as Neighbor Superintendent, I had never had in my short career of people tell me they were just looking. Well, being a Dale Carnegie Graduate at the end of 1978 in both Fort Worth and Houston, I coined the phrase Lookie LOU is how I spell it.

That was the greatest name because I was the FUN Guy. Always successful in getting information out of most people is all owed to Mr. Dale Carnegie with one sentence that I live by. "BE DIFFERENT BUT FAVORABLILY REMEBERED".

However, it was Lookie LOU that I use for my 1st Home Realty Commercial and Residential Companies from 1989-2014 Retirement.

FUN also works for me as a Lookie LOU myself. As most say "I am just looking" or "just looking" or just "looking around".

Try next time both in your career and as a official FUN Person using Lookie LOU. You, may find out like I did 99 out of 100 people will stop and say something. The majority say WHAT! Ask and then Smile, Laugh, Etc.

The greatest ICE BREAKER to Mankind especially my professional and FUN Life. I should know. Best to say it and not write it.

Plus, for over 46 years, I have not heard Lookie LOU more than 50 people mostly Realtors and Homebuilder salespeople ever use it.

I looked it up on the internet before my FUN Story and apparently it was started in the late 70's in California as look·ie-loo. FUNNY, when I was a youngster, I always said California was 10 years ahead of the rest of the USA especially us Texas Cowboys. However, I like my spelling better.

That mystery is played out with GoDaddy with our 2024-2033 10 Years Campaigns. Oh yea, what USA billionaires 735 and over 1900 Global Billionaires from Google Search 2023.

My two Infrastructure HEROS are Mr. Bernie Marcus and Mr. Arthur Blank who co-founded Home Depot in 1978.

*Like these two legends of WAREHOUSE KINGS who would not want to leave their legacy for creating WIFI - UMM - Pros Platinum - Jungle World with at least 47 Trademarks-Service marks Registrations. KNOWN as the **KING BOBIRoyal!** NOW that is a LEGACY!*

**MOST IMPORTANT the next 10 years 2024

THANK YOU and continue your 2024 JOURNEYS for Friday Lunch Dates and FRIDAY NIGHTS. The GoDaddy Partnership Campaigns will PROVIDE YOUR PIASS. Continue Your Journeys with BOBI WORLD and BOBINomics ECON.

This Campaign 01/25/2024, will leave my past Footpath of 10 PIASS Journeys. PIASS acronym is a Free Enterprise of my 10 Footpath Journeys: {Preparation * Implementation * Action * Support * Success}.

- PIASS I - Lessons from Mr. Buford Berry (My He Rest in Peace) - Soil Economist for the Soil Conservation Service. Told him on 11th Birthday I was going to become a Homebuilder. The man

graciously educated me on Soils - Water Tables - Floods - Erosion - Tornadoes - Hurricanes - Earthquakes. For my gratitude it paid off for 25 Years as a successful full operations Real Estate - Homebuilder - Land Developer Companies.

- PIASS 2 - Two Dale Carnegie Degrees - Not the title but I knew I was the Best of Best Influencer with this Slogan from Mr. Carnegie "BE DIFFERENT BUT FAVORABLY REMEMBERED", Mission Accomplished!
- PIASS 3 - Being such a young man to land in the General Dynamics F-16 Program Office for 5 years. The biggest moment of my life came in April 1983. The Introduction of the Internet for 90 Minutes to the 75 VIPs that I was in the Friday morning. Meaning by the luck of my Boss showcasing the ECP-CCP Change Management weekly updates that I prepared each Thursday. WOW to be 27 at the time and know everything that was important topics and discussions of the 75 about the F-16 Fighting Falcon Operations - PRICELESS!
- PIASS 4 - VCCU (Video Computer Concepts Unlimited) Entertainment - Television Production -

Music Concerts - Music Videos - Bridal Shows -
Commercials - Company Events. The word FUN was
the greatest time of my life with DFW Operations and
Nashville Music Satellite Operations.

- PIASS 5 & 6 - 1st Home Realty - 1st Home
Commercial Realty - CHC1 - (BOLD - FUN -
SHOCK - VALUE - RISK TAKER - MAVERICK.
With my 2 years with Fox and Jacobs Homes as
Superintendent - Sales (Dual Role) made it easy to
start these three companies that gave the success of 7
Niches that I secured with PIASS.
- PIASS 7 - CHINA - 14 DAYS - Understanding in
April 2009 the Chinese Culture - Keynotes at the
Beijing Hotel and the biggest honor to date at "The
Great Hall of the People" with CCTV and China
Business Network was told that 250 million
Households would be viewing "EB-5 Base
Immigration from China to the United States).

Became Editor - Publisher for 3 years 2009-2012 Bryan's
World in China Global Luxury Properties (GLP) for
United States - Canada. Visited with over 1000 Chinese
individuals, News Stations, News Paper and over a dozen
Chinese Real Estate Companies. With Cultural Gift
Exchanges of TEXAS - Cowboys - Ranches-Farms -

Celebrities (Mr. John Denver - Mr. John Wayne - Mr. J.R. Ewing) was the Texas Culture all wanted to know about. Then I was given and provided with answers to my questions and learn the secrets of China with their interest in the United States EB-5 Pilot Program for Dual Citizenship of the United States and China.

Once the first \$50 Million as Mr. or Ms. BOBI Royal the Invite is ready to go to Hong Kong and China New Trip with Dr. Mena Gharsa of Hong Kong as Investment Partner to bring PIASS above. From the communications of what will be a 15-to-30-day trip, Hong Kong and China are ready to invest.

The United States through the 2024 Campaigns will be able to become the First BOBI ROYALS funders any of the 28 - \$5 Billion Pros Platinum Programs.

- PIASS 8 - The SBA Office of Disaster Assistance is the reason for PIASS - I created PIASS with my Call to Duty Deployments and Desk Top Inspections from the Natural Disasters in THREE Different ABA ODA Divisions.
- PIASS 9 - With numbers 5, 6, 7, 8 above, my full-time last career allows me as a PROPERTY BUILDINGS* PROPERTY LIABILITY * FLEETS * INVENTORY * PERSONAL PROPERTY RISK * BUILDER RISK * BANK *FLOOR PLANNER DEALERSHIPS *

COURT-CRIMINAL-TROUBLE SHOOTER and PRIVATE Inspector.

All located in the Texas Coastal Region where I had 18 different Independent Contractor Contracts. The most I was told was 4 to 5. So PIASS 5,6,7 allow me that after all was done, I had inspected everything but the Oil Refineries in Corpus Christi.

To be able to have access to 100% shared above including 5,000 acres plus of Ranches provided more than the SBA Construction Analyst - Loss Verifier. The big difference "Photos Required" for all Inspections - to complete each of the over 3000 surveys.

- PIASS 10 - 2024 -2034 will be the greatest 10 years for the World to secure PIASS. The most important of BOBI - BOBI WORLD - BOBInomics ECON is both have 21 Salutes.

Campaign 2, January 12th, 2024

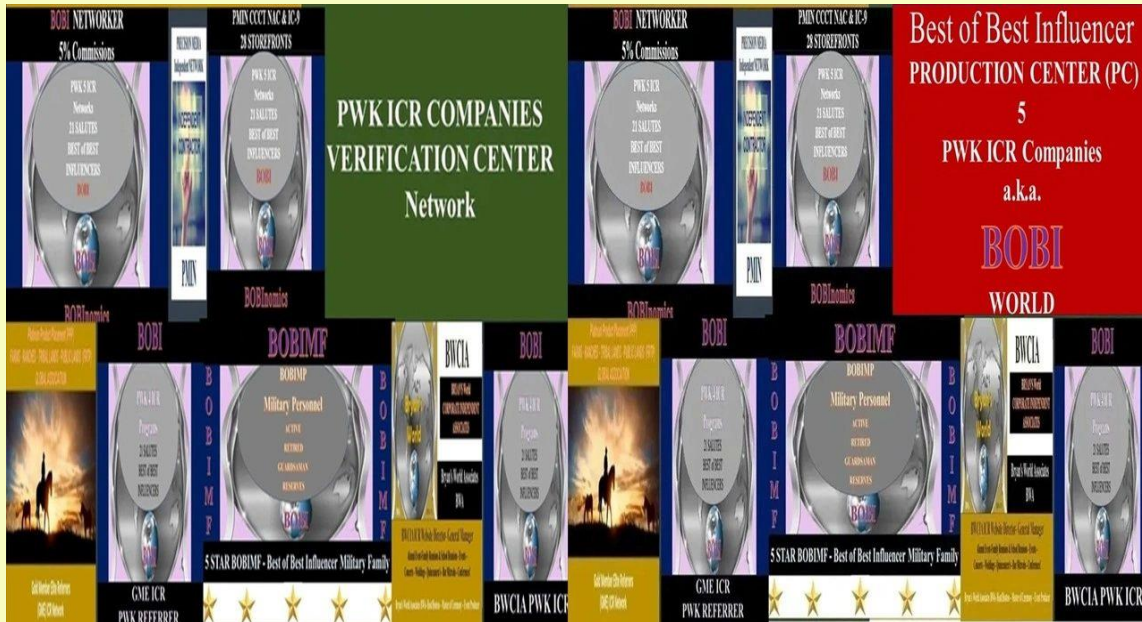

Today, I pondered how to approach BOBI WORLD starting in 2024 with the 20 campaigns with GoDaddy weekly support from 2023. Most of my life has been about all types of **infrastructure**. BOBI WORLD is the support of building and training for the **5 BOBI ICR Company Networks**. I looked back at all my success in Real Estate – Homebuilding – Land Developing – VCCU Entertainment – Dale Carnegie 2 courses.

Even speaking to televised CCCT China-Asia Television Audience of 250 million estimated households. The location: "**The Great Hall of People**" in Beijing, was a rewarding highlight of my life. Why, because I approach each as day to day, learn from the mistakes which were in the thousands and move on to what life brought next.

However, nothing could be more frustrating and taken out of my comfort zone than working for the **SBA - Small Business Administration Office of Disaster Assistance**

Production Center. I was hired as a temporary Loss Verifier for the PDC in Fort Worth Texas in 2016. I was told in the 90-minute training with the others with successful current to past careers, why we were hired.

The message was simple. Take it day by day, your brain will be in a FOG for 30 days. Then the light bulb will switch on. Do your job, as all of us have, experience what you are all experiencing now. He was right to the exact 30th day. Although, still challenging for my remaining time,

I knew that what I did earned myself that feeling of being the "BEST OF THE BEST". Assisting those in the most stressful times of their lives, known as NATURAL

Disasters, was the most important career of 6 years Call to Duty!

There are plenty of people in the world that achieve that Best of the Best. The occasions to those that even achieve on a 24-7 of their lives.

Therefore, BEST of BEST Influencers was designed for those that want to leave their comfort zone and secure the status of BOBI – Pros Who Knows (PWK) Independent Contractor Company Network.

With BOBI WORLD PWK ICR Companies PRODUCTION CENTER (PC) provides the New Direction.

With Partner GoDaddy I was able to provide the fog to be lifted and the light bulb switch does turn on. Take the attitude “It’s YOUR TIME, What Are you Waiting For”. Like Real Estate – Location – Location – Location; Review – Review – Review - the Weekly Campaigns.

The idea is making us BFF’s. Fridays are set aside for the Weekly Lunch Date at BOBI WORLD. I will share the PRODUCTION CENTER Support for the 5 Best of Best Influencer Companies.

YOU can catch up by scrolling downward to see what interests you. Even the Archive 2023 PMN GoDaddy Campaigns shares the lead up to BOBI WORLD.

<https://theproswhoknows.com/2024-bobi-icr-campaigns>

Eventually for many they will enter BOBI WORLD and become in their NEW WORLD – Their WORLD REVENUE SOURCING According to them as BOBI. That is ENOUGH SAID – BEST of BEST INFLUENCER.

IMAGINATION with Precision Media Network PMN TREASURE CHEST New Beginnings as the WORLD According to BOBI.
