Records Retrieval/Processing

Document Retrieval

Records retrieval includes issuing requests for records using affidavits, subpoenas, or deposition on written question; making inquiries into status of documents; and providing notaries when needed. Remote notary fees may be charged above the posted pricing.

Document Processing

Includes verifying information received is correct and scanning/copying documents received.

Banking Records Review \$30

Includes a search of the records for requested information as well as a detailed report of findings. This charge is per 200 pages of records.

Medical Records Review \$50

This includes a comprehensive review of medical records received by an LVN as well as a detailed report of findings. This charge is per 200 pages of records.

Order Records

Medical Records

Includes medical, billing, imaging, pharmacy, physical therapy, and mental health.

Financial Records

Includes banking and brokerage accounts.

Employment Records

Includes payroll and HR records.

DPS/Police/County Auto Accident Records

Order the accident report or the entire file.

Cell Phone Records

Government Records (Court, IRS, Land Records)

Call or email for more information.
